INTRODUCTION

ESTABLISHMENT OF THE COMMITTEE AND ITS MANDATE

This Committee was appointed to review existing issues in relation to the territorial jurisdiction of Courts in order to increase the number of Courts, including High Courts, with the objective of mitigating the perennial problem of law's delays.

The Committee consists of 13 members chaired by Hon. Justice Mahinda Samayawardhena, Judge of the Supreme Court, and was appointed by the Hon. Minister of Justice by letter dated 7 December 2020.

The members of the Committee are listed as follows:

1. Hon. Justice Mahinda Samayawardhena, Judge of the Supreme Court
2. Ms. Indika Demuni de Silva, P.C., Additional Solicitor General
3. Hon. M.K.A. Peiris, High Court Judge
4. Mrs. Piyumanthi Peiris, Additional Secretary (Legal)
5. Mr. U. R. De Silva, President's Counsel
6. Mr. A.K.D.D.D. Arandara, Attorney-at-Law
7. Senior DIG Ajith Rohana, (Sri Lanka Police)
8. Mr. Amal Randeniya, Attorney-at-Law
9. Mr. Sanjaya Gamage, Attorney-at-Law
10. Mr. Nalin Chandika Silva, Attorney-at-Law
11. Mr. Shamith Fernando, Attorney-at-Law
12. Mr. Sanjeeva Dassanayake, Attorney-at-Law
13. Ms. Chandima Welikala, Co-convener of the Committee
14. Ms. Ruvini de Silva, Co-convener of the Committee

In his letter appointing the Committee, the Hon. Minister of Justice commented on the unsatisfactory nature of the current litigation process in the country, particularly with regard to the backlog of cases and delays in the Courts:

The excess case load in Courts causes unexpectable delays in processing cases and delays in the administration of justice. Case backlog and trial delay are problems associated with case overloads. The seriousness of the backlog and the length of delay depend on each Court. In order to speed up case processing I am of the view that more Court houses including High Courts need to be established in terms of the Judicature Act in order to provide solutions to the law's delays.

At the first meeting of the Committee held on 14 December 2020, the Hon. Minister addressed the members of the Committee and further expressed his particular concerns on matters the Committee should focus on in the discharge of its functions in terms of its mandate.

LEGAL FRAMEWORK

The legal framework pertaining to the demarcation of the jurisdiction of the Courts is predicated on the following main legislative enactments:

- The Judicature Act
- The 1978 Constitution of the Democratic Socialist Republic of Sri Lanka

Also of importance are the enactments listed below:

- The High Court of the Provinces (Special Provisions) Act, No.19 of 1990
- The High Court of the Provinces (Special Provisions) Act, No.10 of 1996

- The High Court of the Provinces (Special Provisions) (Amendment) Act, No.54 of 2006

The Judicature Act (relevant provisions):

Section 3: Division of Sri Lanka for Judicial Purposes

For the purpose of the administration of justice, Sri Lanka shall be divided into Judicial Zones, Judicial Districts and Judicial Divisions within such territorial limits as may in consultation with the Chief Justice and the President of Court of Appeal from time to time be determined by the Minister by Order published in the gazette.

Section 4(a): Composition of the High Court

The High Court of the Republic of Sri Lanka shall be a Court of record and shall consist of not less than ten and not more than one hundred and ten Judges, each of whom shall be known as a "Judge of the High Court".

Section 5: District Courts, Small Claims Courts and Magistrates' Courts

(1) There shall be in such Judicial District of Sri Lanka a "District Court" and in every Judicial Division there shall be a "Small Claim Court" and "Magistrate's' Court" and each such Court shall be holden by and before one person to be called the "District Judge", the "Judge of the Small Claims Court" and "Magistrate" respectively.

(2) Each Court referred to sub section (1) may be held at such convenient place or places within such Judicial District or Division, as the case may be, as the Minister shall by regulation from time to time appoint.

Section 58: Operation of the Territorial Limits & Jurisdiction of Court

Where by virtue of the provisions of this Act, any area previously forming part of the jurisdiction of any District Court or Magistrate's Court is excluded therefrom, and any action, proceeding or matter in the Court on the day preceding the date on which the provisions of this section are brought into operation ceases to be within the jurisdiction of that Court by reason only of the exclusion of that area, such action, proceeding or matter may, notwithstanding anything in this Act, be heard and determined or continued and completed by that Court as if such area had not been excluded from the jurisdiction of that District Court or Magistrate's Court, as the case may be.

Section 60A: Effect of an Order under Section 3

This section provides that if by reason of an Order made under section 3, any area of a Judicial Zone, Judicial District or Judicial Division falls into another or new Judicial Zone, Judicial District or Judicial Division, the Court in which any action, proceeding or matter is pending on the day immediately preceding the date of such Order, shall have full power and jurisdiction to carry on and complete such action, proceeding or matter.

The Constitution of the Democratic Socialist Republic of Sri Lanka of 1978 (relevant provisions)

Article 111(1) (now repealed) read:

The highest Court of First Instance exercising criminal jurisdiction and created by law shall be called and known as 'The High Court of the Republic of Sri Lanka' and shall

exercise such jurisdiction and powers as Parliament may by law vest or ordain.

It may be seen that at this stage the High Court was the highest Court of First Instance.

The above Article was repealed and substituted by the provisions of the Eleventh Amendment to the Constitution:

There shall be a High Court of Sri Lanka, which shall exercise such jurisdiction and powers as Parliament may by law vest or ordain.

At this stage the High Court was no longer a Court of First Instance.

Article 154P quoted below was introduced by the Thirteenth Amendment to the Constitution and made significant changes to the structure and Jurisdiction of the High Court:

- 1) *There shall be a High Court for each Province with effect from the date on which this Chapter comes into force. Each such High Court shall be designated as the High Court of the relevant Province.*
- 2) *The Chief Justice shall nominate, from among Judges of the High Court of Sri Lanka, such number of Judges as may be necessary to each such High Court. Every such Judge shall be transferable by the Chief Justice.*
- 3) *Every such High Court shall:*
 - a) *exercise according to law, the original criminal jurisdiction of the High Court of Sri Lanka in respect of offences committed within the Province;*
 - b) *notwithstanding anything in Article 138 and subject to any law, exercise, appellate and revisionary jurisdiction in respect of convictions, sentences and orders entered or*

- imposed by Magistrates Courts and Primary Courts within the Province;*
- c) exercise such other jurisdiction and powers as Parliament may, by law, provide.*
- 4) Every such High Court shall have jurisdiction to issue, according to law—*
- a) orders in the nature of habeas corpus, in respect of persons illegally detained within the Province; and*
- b) order in the nature of writs of certiorari, prohibition, procedendo, mandamus and quo warranto against any person exercising, within the Province, any power under*
- i. any law; or*
- ii. any statutes made by the Provincial Council established for that Province,*
- in respect of any matter set out in the Provincial Council List.*
- 5) The Judicial Service Commission may delegate to such High Court, the power to inspect and report on, the administration of any Court of First Instance within the Province.*
- 6) Subject to the provisions of the Constitution and any law, any person aggrieved by a final order, judgment or sentence of any such Court, in the exercise of its jurisdiction under paragraphs (3) (b) or (3)(c) or (4), may appeal therefrom to the Court of Appeal in accordance with Article 138.*

In other words, the Thirteenth Amendment to the Constitution introduced High Courts commonly known as Provincial Criminal High Courts.

In short, these Provincial High Courts exercised:

- a) Original criminal jurisdiction;
- b) Appellate and Revisionary jurisdiction of Judgments and Orders of the Magistrate's Courts; and
- c) Writ jurisdiction within the Province.

Article 154P(3)(c):

Every such High Court shall exercise such other jurisdiction and powers as Parliament may, by law, provide.

It is in view of this enabling provision that the following High Courts came into being:

- a) Commercial High Courts
- b) Provincial Civil Appeal High Courts

The Thirteenth Amendment to the Constitution created provisions to set up a Provincial High Court and for its jurisdiction to be demarcated.

The High Court of the Provinces (Special Provisions) Act, No.19 of 1990, *inter alia*, conferred writ jurisdiction (*vide* section 7) and appellate and revisionary jurisdiction on the Provincial High Courts in respect of Judgments and Orders made by Magistrate's Courts, Primary Courts and Labour Tribunals within the Province (*vide* sections 3 and 4).

The High Court of the Provinces (Special Provisions) (Amendment) Act, No.54 of 2006 created High Courts commonly known as Provincial Civil Appeal High Courts. Nevertheless, Civil Appeal High Court is a misnomer; this also comes under the umbrella of the Provincial High Courts. This Act conferred appellate and revisionary jurisdiction on the Provincial High Courts in respect of Judgments and Orders made by District Courts within the Province.

The High Court of the Provinces (Special Provisions) Act No.10 of 1996 created the High Court commonly known as the Commercial High Court. This Act conferred on the Provincial High Court original civil jurisdiction in respect of commercial

transactions as set out in the Schedules to the Act. Similar to the Civil Appeal High Courts, the Commercial High Court is also a misnomer and is referred to in this way for convenience.

METHODOLOGY

The Committee relied on the following for information and data:

- Official documents and data analysis
- Observations
- Stakeholder consultations
- Written representations
- Territorial demarcations of police station areas

SOURCES CONSIDERED FOR RECOMMENDATIONS

The Committee collected information through the Ministry of Justice, Judicial Services Commission, Department of Police, Grama Niladari officers and the respective Courts. These details allowed the Committee to contextualise the present state of affairs in relation to:

- Pending cases in the District Court during the period of 2018-2020
- Concluded cases during the said period
- Number of cases filed during the said period
- Category of cases by nature of complaint
- Pending cases in the Magistrate Courts (NB: categories such as Traffic Offences, cases referred to the Attorney General and a series of new Plaints were unavailable)
- Number of cases pending in the High Courts

During the past 40 years, from time to time, several committees have been appointed to demarcate the territorial jurisdiction of the Courts and extensive research has been carried out on the subject.

This Committee studied the recommendations in the Reports of the following Committees appointed to look into jurisdictional issues and the establishment of new Courts:

- Justice Victor Perera Committee of 1993
- Justice Udagama Committee of 2009
- Justice Nimal Gamini Amaratunga Committee of 2013

A series of maps indicating Grama Niladari Divisions, police station areas, Divisional Secretariat Divisions, and District boundaries were also perused and considered.

The Committee also called for submissions from all the regional Bar Associations and thereafter scheduled in-person consultations with representatives of each regional Bar Association to further discuss their respective proposals.

Following the Committee's consideration of the written proposals and in-person consultations of/with the respective regional Bar Associations, the Committee prepared draft reports containing the observations and recommendations of the Committee in respect of the territorial jurisdiction of each province.

These draft reports were circulated among the regional Bar Associations by the Committee through the Ministry of Justice. The Bar Association of Sri Lanka also provided a weblink with access to the reports to each individual member of the Bar Association of Sri Lanka.

The Committee invited objections and/or concerns and/or observations regarding the contents of the draft reports to be submitted in writing on or before 2 May 2021.

The Bar Association of Sri Lanka made two formal requests to the Committee to extend the date given for objections, first to 10 May and thereafter to 24 May 2021, to which the Committee agreed.

The Committee then convened on 20 June 2021 to consider the objections, responses and observations received from the following regional Bar Associations: Gampaha, Mahara, Minuwangoda, Negombo, Nugegoda, Matugama, Panadura, Homagama, Ruwanwella, Kegalle, Warakapola, Kurunegala, Kandy, Matale, Dambulla, Gampola, Hatton, Ratnapura, Anuradhapura, Bandarawela, Badulla, Matara, Galle, Tangalle, Hambantota, Embilipitiya, and Sammanthurai, as well as the Colombo Law Society.

Thereafter, the Committee amended the contents of and recommendations in the draft reports as appropriate and prepared this final report.

ISSUES IDENTIFIED BY THE COMMITTEE

- The smooth functioning of the Courts (both existing and to be introduced), judicial administration, effective delivery methods and the convenience of all relevant stakeholders are key factors considered by the Committee in making its recommendations. On par with state policy, the role of the Committee is to introduce criteria to facilitate the speedy disposal of cases pending before the Courts.
- The Committee prioritised matters such as state policy in terms of increasing the number of judicial officers, capacity building of judicial officers and Court staff, infrastructure

development and the introduction of new Court houses in making its recommendations.

- Demographic factors, population growth, urbanisation, industrialisation and developments in transport facilities were also taken into account.
- In consideration of the above aspects, the Committee identified the following major issues and highlighted potential solutions in respect of each region:
 - The increasing number of cases going beyond the capacity of a Court should be curtailed by introducing additional Court houses with sufficient facilities and staff.
 - Where there are more than 2,000 pending cases in a District Court, an Additional District Court should be established; where there are more than 5,000 pending cases in a Magistrate's Court, an Additional Magistrate's Court should be established.
 - Courts should not be burdened with a workload beyond capacity.
 - The concept of concurrent jurisdiction should be discontinued as far as possible
 - Existing cases will not be prejudicially affected by the introduction of new divisions.
 - The convenience of the general public, prosecutors and the legal fraternity should be respected.
 - Police areas should not be divided between two or more jurisdictions unless there are compelling reasons, such as public convenience and the reasonable distribution of work.

- The duration and flow of proceedings as well as the case load directly relate to the quality of justice. Whilst justice delayed is justice denied, justice hurried is justice buried. The quality of justice must not be compromised.
- International standards in the delivery of justice must be maintained within the available capacity and resources.
- The standard ratio of Judges to population must be maintained as far as possible.

The Committee has given its best efforts to identify and address all issues in an effective and efficient manner while maintaining its ultimate objective at the forefront: i.e. clearing the backlog of cases and facilitating the smooth functioning of all Courts.

NB: Gazette Extraordinary No. 1679/40 dated 10.11.2010 is hereinafter sometimes referred to as “the 2010 Gazette”.

ISSUES REVEALED BY REGIONAL BAR ASSOCIATIONS

All regional Bar Associations in the Western Province were invited to make recommendations to the Committee for further consideration. The written recommendations and proposals made by each Provincial Bar Association are summarised below. Additionally, each Bar Association was given an opportunity to submit their proposals orally before the Committee.

Gampaha

The Gampaha Bar Association proposed to re-demarcate the judicial boundary between Gampaha and Mahara, incorporating Biyagama, Meegahawatta and part of the Ragama police station areas into the Gampaha Judicial District.

They also proposed to cancel the Gazette notification published to establish the Mahara Judicial District and to instead confer concurrent jurisdiction on both Courts (Gampaha and Mahara) in civil cases in relation to a selected area.

Attanagalla

Several Grama Niladari (GN) Divisions falling under the Veyangoda police station area are now under the Gampaha Judicial District/Division. The Attanagala Bar proposed that these GN Divisions be allocated to the Attanagalla Judicial District/Division.

They also proposed reallocating the entire Weeragula police station area, which is now under the Judicial District of Gampaha, to the Judicial District/Division of Attanagalla.

Pugoda

The Pugoda Bar suggested that part of the Biyagama and Meegahawatta police station areas, which are presently under the Mahara Judicial Division, be included in the Pugoda Judicial District (in addition to the existing three police station areas in Pugoda: i.e. Dompe, Pugoda, and Kiridiwela).

Furthermore, the Pugoda Bar Association urged the Committee to expedite the construction of the new Court Complex.

Mahara

Representatives embraced the decision to establish a District Court in the Judicial District of Mahara, which has not been implemented despite having been gazetted many years ago.

Objections were raised in relation to conferring concurrent jurisdiction on the Mahara and Gampaha Judicial Districts.

No objections were made in terms of allocating the following GN Divisions bearing Nos: 246, 246A, 246B, 246C, 247, 247A, 247B and 247C, which are currently under the Ragama police station area, to the proposed Judicial District of Welisara.

The transfer of the Meegahawatta and Biyagama police station areas to the Gampaha jurisdiction was vehemently objected to.

Negombo

Due to the introduction of the Judicial District of Welisara, the police station areas of Ja-Ela, Kandana, Pamunugama, Wattala and part of Ragama would fall under the Judicial District/Division of Welisara.

Considering proximity, it was proposed that the entire police station area of Ja-Ela and the GN Divisions bearing Nos: 164, 164A, 165, 165A, 165B, 193, and 193A under the Pamunugama police station area be included in the Judicial District/Division of Negombo.

The Negombo Bar also requested that the entire Divisional Secretariat Division of Katana, including the police station area of Katunayake, be included in the Negombo Judicial District.

It was further emphasised that the infrastructure facilities available at the newly built Courts Complex in Negombo be put to full use and the Bar requested that the Negombo Courts be allocated a greater number of cases than the other stations.

Welisara

An enhancement of the Welisara Judicial District was sought. SCIB and Traffic cases from the Peliyagoda Police station are currently filed in the Welisara Magistrate's Court. The Welisara Bar requested that the entire Peliyagoda police station area be included in Welisara.

The Welisara Bar raised objections to the proposed transfer of the Ja-Ela police station area and part of the Pamunugama police station area to the Negombo Judicial District.

Minuwangoda

The Minuwangoda Bar Association submitted an extensive report incorporating several annexures and raised the following points:

- The Katunayake Airport police station area should be included in the Minuwangoda Judicial District/ Division.
- The Kotadeniyawa police station area is divided between the Judicial Division of Minuwangoda and the Judicial Division of Attanagalla. This causes immense difficulties for litigants and prosecutors. The Minuwangoda Bar made a request to include the entire Kotadeniyawa police station area in the Minuwangoda Judicial District.

Colombo Magistrates Lawyers' Association and Colombo Law Society

It was suggested that the Grama Niladari Divisions of Pamankada, Wellawatte North and Wellawatte South, which are under the Wellawatta police station area, be removed from the

Mount Lavinia Judicial Division and incorporated into the Colombo Judicial Division (Colombo Magistrate's Court).

It was further suggested that the Kelaniya police station area be included in the Colombo Judicial Division.

The establishment of a Magistrate's Court at Kolonnawa, which has been already gazetted, was objected to.

Mount Lavinia

The main complaint of the Mount Lavinia Bar was in respect of the poor distribution of work to the Mount Lavinia Courts despite the availability of resources.

With the introduction of the Nugegoda District Court, there has been a huge drop in both civil and criminal cases in the Mount Lavinia District Court and Magistrate's Court. It was highlighted that whilst the Mount Lavinia Judicial Division has been allocated only 29 Grama Niladari Divisions, the Nugegoda Judicial Division has been allocated 58 Grama Niladari Divisions.

The Mount Lavinia Bar emphasised that whereas the District Court of Nugegoda is burdened with a heavy case load, the Mount Lavinia Court is not functioning at full capacity. They also highlighted that further expansion of the Nugegoda Court premises is not possible as it has already reached peak capacity.

The Kohuwala police station area comprises 9 Grama Niladari Divisions, of which 2 situated in the Divisional Secretariat Division of Dehiwala report to the Nugegoda Court. The Mount Lavinia Bar requested that the entire Kohuwala and

Boralasgamuwa police station areas be incorporated into the Mount Lavinia jurisdiction, including District Court jurisdiction.

Kesbawa

It was requested that the entire Grama Niladari Divisions or part of the Grama Niladari Divisions under the Boralasgamuwa and Moragahahena police station areas be included in the Kesbawa Judicial Division.

Avissawella

The Avissawella Bar requested that all GN Divisions within the Divisional Secretariat Divisions of Dehiowita, Deraniyagala, Eheliyagoda, Kuruwita, Kirilla and the entirety of Seethawaka be included in the Avissawella Jurisdiction.

It was further requested that:

- All Grama Niladari Divisions within the Divisional Secretariat Division of Padukka be allocated to Avissawella.
- All Grama Niladari Divisions within the Hanwella police station area be allocated to Avissawella.
- High Court jurisdiction of the Ruwanwella Magistrate's Court be conferred on the Avissawella High Court.

Homagama

The members of the Homagama Bar Association were not represented before the Committee at the initial consultations and did not submit any written proposals.

Kaduwela

Representatives from the Kaduwela Bar requested that the Biyagama police station area be allocated to the Kaduwela District/Division considering the proximity of the location.

A few identified GN Divisions presently under Colombo were requested to be included in the Kaduwela Jurisdiction.

The Kaduwela Bar further requested the widening of the Labour Tribunal areas – this request is outside the mandate of this Committee.

Panadura

The Panadura Bar is satisfied with the current state of affairs.

Several changes have taken place during the recent past, such as the allocation of the Wadduwa, Bandaragama and Moronthuduwa police station areas to the Panadura jurisdiction.

The Panadura Bar suggested that the Kesbewa Judicial Division be included under the Panadura High Court jurisdiction.

Furthermore, they suggested introducing a Civil Appeal High Court to Panadura as there is a vacant Additional District Court at present.

Horana

The Horana Bar requests that part of the Bandaragama police station area be allocated to the Horana jurisdiction (as was the situation in 2010).

It was highlighted that the entire Bandaragama police station area was transferred to the Panadura jurisdiction in the year 2019 without the Horana Bar having been given an opportunity to intervene or be heard.

It was further requested that several GN Divisions in the Bulathsinhala Divisional Secretariat Division be included in the Horana jurisdiction as it is much closer and more convenient for litigants.

Kalutara

The Kalutara Bar requested that the following GN Divisions, which are under the Wadduwa and Moronthuduwa police station areas, be allocated to Kalutara: Mestiya No. 700, Maha Gonaduwa No. 701, Kuda Gonaduwa No. 701A, Moronthuduwa North No. 706, Mawala No. 705B, Melegama North 703, Melegama South No. 703B, Habaralagahalanda No. 703A, Pohaddaramulla East No. 707, Pothupitiya East No. 708B, Mawala South No. 705A, Moronthuduwa South No. 706B, Kalapugama No. 709, Kalapugama West 709C, Ariyagama No. 709D, Deldoowa No 709A, Nugagoda No. 709B, pothupitiya South 708A, Pothpitiya North 708, Pothupitiya West 708C and Meda Pothupitiya 708D.

These GN Divisions have been removed from the Judicial Zone of Kalutara despite coming under the Divisional Secretariat Division of Kalutara.

The Bar also requested that Extraordinary Gazette No. 2108/33 dated 29.01.2019 allocating the above GN Divisions of the Divisional Secretariat Division of Kalutara to Panadura (paragraphs IV and V of the Gazette) be revoked.

Mathugama

The Mathugama Bar requested that the Labour Tribunal, which was previously sitting at the Matugama Courts Complex, be established in the Matugama Judicial Zone, as several mega industries have boomed within the industrial park.

A request was also made to create a High Court in the Matugama Judicial Zone, as eight police station areas fall under Mathugama.

RECOMMENDATIONS AND JUSTIFICATIONS

Gampaha Zone

RECOMMENDATION 1:

To establish a new District Court and a Magistrate's Court in Mirigama. The Mirigama, Kotadeniyawa and Pallewala police station areas will fall within the Mirigama jurisdiction. To give effect to this recommendation, the Committee proposes creating a new Judicial District and a Judicial Division for Mirigama.

Justification

The Committee observes that the establishment of a Magistrate's Court in Mirigama has been a long-standing proposal suggested by both the Justice Victor Perera Committee of 1993 and the Justice Udalagama Committee of 2009. The jurisdiction of the Mirigama Judicial Division was gazetted in Gazette Extraordinary No. 1679/40 of 10.11.2010 but the Court was never established. The decision was repealed in 2015 and re-introduced by a subsequent Gazette.

The latest statistics show that the Attanagalla District Court and Magistrate's Court have a heavy load of cases: there are 2,702 civil cases and 8,402 criminal cases pending. The Committee is of the view that one Magistrate and one District Judge cannot handle this workload effectively. A significant portion of this work can be reduced by setting up a separate District Court and a separate Magistrate's Court in Mirigama. This will benefit the general public and facilitate the speedy disposal of cases.

Until a new Court Complex is built, the Committee recommends renting out a suitable building in Mirigama to establish the two Courts.

RECOMMENDATION 2:

The Committee proposes to exclude the Weeragula police station area from the Gampaha jurisdiction and include it in the Attanagalla jurisdiction.

Justification

With the establishment of the Mirigama Courts, the three police station areas, namely, Mirigama, Kotadeniyawa and Pallewela, will report to the Mirigama Court. This will leave Attanagalla with only two police station areas: Nittambuwa and Veyangoda.

Given the proximity of the Weeragula police station area to Attanagalla, it is more appropriate for the Weeragula police station area to be allocated to the Attanagalla jurisdiction, as was the case several years ago.

At this stage it may be appropriate to mention the deliberations of the Committee upon the observations made by the Gampaha Bar Association in response to the Committee's recommendations in the Western Province draft report.

The Gampaha Bar Association raised the following issues:

- a) Objection to the Weeragula police station area being allocated to the Attanagalla jurisdiction.
- b) The lack of a decision by the Committee in respect of the proposed Benmulla police station area.

Deliberations and recommendations of the Committee on the above

- a) The Committee does not consider it inappropriate or unjustifiable that the Weeragula police station area be allocated to Attanagalla for the following reasons:
- The Weeragula police station area was previously in the jurisdiction of Attanagalla.
 - With the establishment of the Mirigama Judicial District and Judicial Division, a considerable amount of work in Attanagalla will be reassigned to Mirigama.
 - At present, there are four police station areas under the jurisdiction of Attanagalla: Nittambuwa, Weyangoda, Mirigama, and Pallewela. With the establishment of the Mirigama Judicial District and Judicial Division, the Mirigama and Pallewela police station areas will report to the Mirigama Court; hence, the jurisdiction of Attanagalla will comprise only two police station areas thereby reducing the workload in Attanagalla.
 - The Committee notes that the draft report recommended that an Additional Magistrate's Court be established in Attanagalla. However, on further reflection and consideration, the Committee is of the view that with the establishment of the Mirigama Courts and the reallocation of police station areas as described above, it is unlikely that the workload in the Attanagalla Courts will increase in the near future. Hence, the Committee takes the view that there is no need for an Additional Magistrate's Court to be established in Attanagalla.
- b) As the Benmulla police station area has not yet been created, the Committee is not in a position to make recommendations in this regard. When the Benmulla police station area is

created, the relevant Grama Niladari Divisions will report to the relevant Court as at present.

RECOMMENDATION 3:

The Committee recommends excluding all Grama Niladari Divisions of the Meegahawatta and Biyagama police station areas from the Mahara jurisdiction.

Justification

The entire Meegahawatta and Biyagama police station areas now come under the Mahara Judicial District/Division.

The number of pending Magistrate's Court cases in the Mahara Court is 10,935 cases (as at 2019), whereas Gampaha has only 4,024 pending cases (as at 2019).

The main grievance of the Gampaha Bar Association is the reduction in the civil and criminal jurisdiction of the Gampaha Courts. This jurisdiction has been divided between Mahara and Attanagalla thereby reducing the workload in the Gampaha Courts.

RECOMMENDATION 4:

The Committee recommends establishing a District Court in Mahara with exclusive civil jurisdiction, and excluding all Grama Niladari Divisions of the Meegahawatta and Biyagama police station areas from the Mahara jurisdiction and allocating these jurisdictions to Gampaha.

Justification

The Mahara Magistrate's Court was established by Gazette No. 1679/40 of 10.11.2010. Thereafter, this Court was also conferred civil jurisdiction. Due to the long-standing tussle between the Mahara and Gampaha Bars, several Gazettes were issued conferring and revoking civil jurisdiction on the Mahara Courts. At present, Mahara has been conferred civil jurisdiction.

It is true that at present the Mahara Court lacks the infrastructure facilities required for a fully functional District Court. However, there is space in the existing building where District Court hearings can be commenced until a new Court Complex is built in Mahara.

Mahara requires two Magistrates' Courts and one District Court. As there is a backlog of cases in the Magistrate's Court of Mahara, the new District Judge to be appointed can be asked to assist with Magistrate's Court work until a sufficient number of civil matters come before the Court. Pending District Court cases in Gampaha need not be transferred to Mahara; the Mahara District Court can start with new cases filed in Mahara.

The Committee proposes that a new District Court Complex be constructed adjoining the existing Court building. Considering the rapid urbanisation and development in the Mahara area, there will no doubt be a greater number of cases in the future.

Following the Committee's draft report, the Mahara Bar submitted a written response vehemently objecting to the Meegahawatte and Biyagama police station areas being allocated to Gampaha.

The Mahara Bar complains that this recommendation of the Committee contravenes the policy of the state to cater to the needs of the general public as this will greatly inconvenience the public given that the Meegahawatte and Biyagama police station areas are closer in proximity to Mahara than to Gampaha. The Mahara Bar further contends that this recommendation has been made by the Committee in an attempt to appease the Gampaha Bar and not in consideration of the convenience of the public. They say this recommendation is unjustifiable.

The Mahara Bar makes the following alternative proposals in respect of Biyagama and Meegahawatte police station areas (if the Committee is not inclined to reverse the recommendation already made):

- a) to allocate at least the Biyagama and Peliyagoda police station areas to Mahara, with concurrent jurisdiction being given to the Mahara and Gampaha Courts in respect of the Meegahawatte police station area; or
- b) to allocate the criminal jurisdiction of both Biyagama and Meegahawatte to Mahara and for concurrent civil jurisdiction to be exercised by both; or
- c) to allocate overall concurrent civil jurisdiction to Gampaha and Mahara in respect of all the police station areas under both jurisdictions, leaving the criminal jurisdiction of the Biyagama and Meegahawatte police station areas with Mahara.

Deliberations and recommendations of the Committee on the above

The Committee accepts that the Mahara Bar raises valid concerns. However, these same issues were considered in depth by the Committee in making its initial recommendations in the draft report. Since there was a difference of opinion among the

members of the Committee in settling the long-standing tussle between the Gampaha and Mahara Bars regarding territorial jurisdiction, the Gampaha and Mahara Bars were summoned before the Committee more than once and their written representations were called for on more than one occasion. Ultimately, after several and serious deliberations, the Committee unanimously arrived at the findings and recommendations incorporated in the draft report. No new material was elicited from the further submissions of the Mahara Bar in response to the draft report. The Committee also notes its overall proposal to do away with the concept of concurrent jurisdiction. Hence, in consideration of all factors (including the available infrastructure facilities and the volume of cases in both Courts), the Committee takes the view that its recommendations ought to remain unchanged.

The Committee reiterates that the Mahara Court has very limited infrastructure facilities at the moment, but once the existing caseload decreases (there were 10,935 cases pending in the Magistrate's Court as at 2019) and with the establishment of the proposed new building for the District Court and the expansion of the Magistrate's Court, this recommendation can be reviewed and a fresh decision can be taken in respect of demarcating the jurisdictions of Mahara and Gampaha.

RECOMMENDATION 5:

To exclude the Grama Niladari Divisions bearing Nos. 246, 246A, 246B, 246C, 247, 247A, 247B and 247C, which fall under the Ragama police station area from the Mahara jurisdiction (Gampaha Zone), and include these in the Judicial District/Division of Welisara (Negombo Zone).

Justification

The Committee is of the view that, on principle, a police station area should be exclusively allocated to one Magistrate's Court, unless there are cogent and valid reasons to the contrary. Therefore, the Committee has decided to allocate the Grama Niladari Divisions listed above to the Welisara jurisdiction as the other GN Divisions of the Ragama police station area have already been allocated to the Welisara jurisdiction.

Negombo Zone

RECOMMENDATION 1:

The Committee recommends establishing a District Court in Welisara.

The Committee also recommends incorporating all Grama Niladari Divisions of the Ragama police station area into the Welisara jurisdiction, removing these Grama Niladari Divisions from the Mahara jurisdiction.

Justification

Welisara was gazetted as a Judicial District in 2018. Infrastructure facilities are already in place to commence a District Court in Welisara. Pending cases in the District Court of Negombo need not be transferred to Welisara as the District Court of Negombo is not overburdened with cases.

RECOMMENDATION 2:

The Committee recommends incorporating all Grama Niladari Divisions of the Ja-Ela police station area into the Negombo jurisdiction, thereby removing those Grama Niladari Divisions from the Welisara jurisdiction.

Justification

The Welisara Magistrate's Court jurisdiction consists of the Wattala, Kandana, Mahabage, Ragama, and Pamunugama police station areas.

Considering the facilities and capacity of the Negombo Court Complex, the Committee is of the view that it is more appropriate to allocate the Ja-Ela police station area to the Negombo jurisdiction.

RECOMMENDATION 3:

The Committee recommends establishing a separate District Court and Magistrate's Court in Minuwangoda, where there is at present a Combined Court.

RECOMMENDATION 4:

The Committee recommends setting up an Additional District Court and Additional Magistrate's Court in Minuwangoda.

Justification

According to a recent physical count, there are 3,031 civil cases and 6,737 criminal cases pending in the Minuwangoda Court. This recommendation is in consonance with the general policy of the Committee that an additional Court be established where

there are more than 2,000 civil cases and more than 5,000 criminal cases pending in a particular Court.

The Minuwangoda Bar Association raised the following issues in response to the recommendations of the Committee in the draft report:

- a) Request to allocate the Airport police (Everiwatte GN Division No. 149, Katunayake South GN Division No. 143/A), which is part of the Katunayake police station area, to Minuwangoda.
- b) Opposition to the proposed Meerigama Court, together with a request that the Kotadeniyawa police station area remain under the jurisdiction of Minuwangoda
- c) Opposition to the proposal to separate the Combined Court in Minuwangoda.

Deliberations and recommendations of the Committee

- a) Allocating the Airport police to the jurisdiction of Minuwangoda was the main proposal of the Minuwangoda Bar Association in its initial representations to the Committee.

The Committee seriously deliberated on this matter and recommended in the draft report that the relevant two GN Divisions (i.e. Everiwatte GN Division No. 149, Katunayake South GN Division No. 143/A) remain in the jurisdiction of Negombo *inter alia* due to the limited facilities and resources available in the Minuwangoda Court premises to deal with high profile criminal and civil matters centered around the Katunayake International Airport, such as airport raids, immigration matters and custom matters, which include foreign elements. It cannot be denied that the Negombo Bar is more senior than the Minuwangoda Bar, and Negombo possibly has the best

infrastructure facilities in any Court premises outside Colombo. Hence the Negombo Court is presently in a much better position to handle such cases until the facilities in the Minuwangoda Court are uplifted to a reasonable level.

In that backdrop, the Committee is deeply distressed that the Minuwangoda Bar even opposes the recommendation to separate the Combined Court in Minuwangoda to allow the District Court and the Magistrate's Court to function separately. The Minuwangoda Bar wants to continue with the existing failed system of having all civil and criminal matters handled in one Combined Court presided over by one Judge. In line with state policy, the Committee has done away with the Combined Court concept and recommended, not only in respect of Minuwangoda but across the board, that all Combined Courts be separated, with criminal and civil cases heard separately by two separate Judges in two separate Courts unless there are exceptional grounds not to do so.

- b) The status quo cannot be maintained in respect of the Kotadeniyawa police station area and the recommendation of the Committee made in the draft report stands. The decision taken a long time ago to establish a Court in Minuwangoda ought to be implemented at least on this occasion.
- c) The Committee reinforces its decision to separate the Combined Court into a separate District Court and a separate Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 5:

Considering the heavy workload in the Negombo Criminal High Court, the Committee recommends setting up a second Criminal High Court. As a temporary measure, the Committee suggests assigning two Judges of the Civil Appeal High Court to also hear cases filed in the Criminal High Court.

Justification

The Negombo Criminal High Court has 1,259 pending cases with 841 indictments. Conversely, the Civil Appeal High Court has only 108 pending cases. The Civil Appeal High Court could function on fewer days (2 or 3 days) of the week while hearing criminal trials on the other days.

Colombo Zone

RECOMMENDATION 1:

The Committee suggests establishing a separate District Court for Tax cases in Colombo.

Justification

At present there are 5,883 Tax cases pending in the Colombo District Court. The present arrangement for the Tax Court in Hulftsdorp is not satisfactory as it is being temporarily conducted in a small office room that has been converted into a Court room. The existing Tax Court also entertains matters pertaining to money recovery on Hire Purchase agreements and Mortgage Bond cases as well. Unless there are no Tax matters for the Court to

deal with, the Tax Court shall not be burdened with matters outside its designated jurisdiction.

RECOMMENDATION 2:

Until a Small Claims Court is set up, the Committee proposes setting up an Additional District Court to handle Hire Purchase and Finance Leasing cases.

Justification

Due to the heavy workload in Colombo, Hire Purchase and Finance Leasing cases are being postponed for longer than other cases set for trial. At present there are only two Courts handling these matters. These are commercial transactions and there should not be an inordinate delay in the recovery process.

RECOMMENDATION 3:

By majority decision, the Committee recommends abolishing the Kolonnawa Magistrate's Court, which was established under Gazette No. 1679/40 dated 10.11.2010 but never set up.

Justification

The proposed new Court Complex will facilitate the Magistrates' Court in Hulftsdorp.

RECOMMENDATION 4:

The Committee proposes to establish an Additional Civil Appeal High Court in Colombo.

Justification

Considering the number of cases (874 in 2020) and the complexity of cases in Colombo, the Committee proposes establishing an additional Court to enhance the efficiency of the Courts system and reduce inherent delays.

RECOMMENDATION 5:

The Grama Niladari Division of Pamankada East, which falls under the Divisional Secretariat Division of Thimbirigasyaya (under the Wellawatta police station area), should be removed from the Colombo District/Division and allocated to the Judicial District/Division of Mount Lavinia.

Justification

By Gazette notification bearing No. 1890/17 dated 26.11.2014, the GN Divisions of Wellawatta North, Wellawatta South and Pamankada West have been included in the Mount Lavinia District/Zone.

However, the GN Division of Pamankada East, which is under the Wellawatta police station area, remains in the Colombo District/Zone. It is not prudent for the Wellawatta police station to report to Colombo in respect of one GN Division whilst the other GN Divisions are under Mount Lavinia.

In response to the draft report of the Committee, the Colombo Law Society sent in their written observations objecting to the Pamankada East GN Division being allocated to the Mount Lavinia jurisdiction. This proposal of the Committee has been amply justified above.

RECOMMENDATION 6:

To abolish the present concurrent jurisdiction between Mount Lavinia and Nugegoda, which was introduced in 2010, and establish a permanent District Court in Nugegoda.

Justification

The Committee has adopted a uniform policy (with limited exceptions) to abolish concurrent jurisdiction.

RECOMMENDATION 7:

The Committee recommends that the Dutugamunu 537A and Kohuwala 537B GN Divisions of the Kohuwala police station area, which presently come under the Nugegoda Judicial Division, be included in the Mount Lavinia Judicial District/Division (as all other GN Divisions in the Kohuwala police station area come under the Mount Lavinia jurisdiction).

RECOMMENDATION 8:

The entire Boralasgamuwa police station area should be allocated to the Judicial Division/District of Mount Lavinia.

Justification

The Committee observes that the Kohuwala and Dutugemunu GN Divisions in the Kohuwala police station area are listed under the Gangodawila jurisdiction, while the other GN Divisions are gazetted under the Mount Lavinia jurisdiction.

Since concurrent jurisdiction was granted to Nugegoda (Gangodawila), the number of cases in the District Court has

increased exponentially. It is now at a stage where one District Court is unable to handle the entire workload of 5,421 (as at 2019) pending cases.

It is not possible to construct extra Court houses as there is no available land or space in the existing buildings.

RECOMMENDATION 9:

The Committee recommends establishing an Additional District Court in Nugegoda.

Justification

There are nearly 5,500 pending civil cases in the Nugegoda District Court.

The Nugegoda Bar Association submitted its written observations in response to the Committee's draft report raising the same issues already deliberated on by the Committee in the initial round of submissions and consultations – namely, that the status quo be maintained subject to the removal of concurrent jurisdiction between Mount Lavinia and Gangodawila/Nugegoda. The Committee has already considered this issue and sees no reason to alter the proposals made in the draft report.

The demands of the Nugegoda Bar can be reconsidered and the relevant territorial jurisdiction can be enlarged once the existing case backlog is cleared and infrastructure facilities are improved in the Nugegoda Court.

Further matters

The learned Additional Solicitor General, who is representing the Hon. Attorney General, suggests establishing a separate High Court to hear child abuse cases and another High Court for drug related matters within the Colombo Zone. However, the Committee is of the view that these suggestions ought to be put before the Criminal Law Reform Committee for further consideration.

Homagama Zone

RECOMMENDATION 1:

The Committee recommends establishing an Additional District Court in Kaduwela.

Justification

This would aid in easing the burden on the Kaduwela Court where there are 5,352 pending District Court cases.

RECOMMENDATION 2:

The Committee recommends separating the Combined Court in Kesbewa and enabling the District Court and Magistrate's Court to function separately.

Justification

The Combined Court concept has not been successful. Where there are two Judges and two Court houses, it is more efficient to allow one Judge to deal with criminal cases and the other to deal with civil cases.

RECOMMENDATION 3:

The Committee recommends establishing an Additional Magistrate's Court in Kesbewa.

Justification

The number of pending District Court cases exceeds 1,700 cases (as at 2019), while in the Magistrate's Court there are approximately 6,251 cases (as at 2019).

RECOMMENDATION 4:

To reallocate five GN Divisions in the Padukka police station area, which now fall under Homagama, to Avissawella.

Justification

This recommendation is made in view of allocating the entire police station area of Padukka to one Magistrate's Court, in order to mitigate administrative issues.

The Homagama Bar Association submitted its written observations in response to the draft report of the Committee objecting to the four GN Divisions in the Hanwella police station area and five GN Divisions in the Padukka police station area being allocated to the Avissawella jurisdiction.

Deliberations and recommendations of the Committee

The Committee recommended in the draft report that the four GN Divisions under the Hanwella police station area (GN Division Nos. 449, 451, 446A, 446) which presently report to the Homagama Court be allocated to Avissawella on the basis that all

the other GN Divisions under the Hanwella police area report to the Avissawella Court. But the Homagama Bar points out in their response to the draft report that those four GN Divisions fall under the Homagama Divisional Secretariat Division and the people residing in those four GN Divisions come to Homagama for all other official purposes (Polling Division, Provincial Council, Land Registry, Land Title Settlement Department, Zonal Education Office etc.). The Homagama Bar further points out that the distance from those GN Divisions to Homagama is around 10 km whereas the distance to Avissawella is around 25-30 km. The Committee accepted the explanation of the Homagama Bar and withdrew this recommendation.

The second request of the Homagama Bar – reallocation of five GN Divisions under the Padukka Divisional Secretariat – cannot be given effect to. Those five GN Divisions fall under the Padukka Divisional Secretariat Division and the Padukka police station area. The Padukka police reports to Avissawella. People residing in these five GN Divisions will not be inconvenienced by this recommendation; in fact, the Committee takes the view (having consulted with the relevant GN officers) that people might find it more convenient to go to the Avissawella Court than to the Homagama Court. This issue is not comparable with the earlier (Hanwella) issue.

Avissawella Zone

RECOMMENDATION 1:

The entire police station area of Deraniyagala situated in the Divisional Secretariat Division of Deraniyagala should be included in the Avissawella Judicial Division.

Justification

This was also a recommendation made by the Justice Udagama Committee of 2009.

This rectifies the anomaly between the Sinhala and English Gazettes possibly introduced in the process of translating the original version from English to Sinhala.

RECOMMENDATION 2:

The Committee recommends removing the Grama Niladari Divisions within the police station area of Padukka (Padukka 461, Udumulla 461B, Galagedara North 452A, Galagedara South 452B and Galagedara East 452) and transferring them to the Avissawella Judicial District/Division.

Justification

Vide recommendation 4 under Homagama above.

RECOMMENDATION 3:

Reallocate appeals from the Pugoda Judicial District from the Gampaha Civil Appeal High Court to Avissawella. This need not affect the pending cases in the Gampaha Civil Appeal High Court.

Justification

There is a caseload of about 517 appeals (including revision and leave to appeal matters) in the Civil Appellate High Court of Gampaha whereas Avissawella has only 163 pending appeals.

The Avissawella Civil Appeal High Court takes up appeals only from the District Court of Avissawella.

The Pugoda Bar Association has no objection to this recommendation.

RECOMMENDATION 4:

The Committee recommends establishing an Additional Magistrate's Court in Avissawella.

Justification

The total number of pending cases in the Magistrate's Court of Avissawella at this juncture is 9,392, which well exceeds the limit of a single Judge. It is necessary to put in place infrastructure facilities for an Additional Magistrate's Court.

RECOMMENDATION 5:

The Committee recommends separating the Combined Court in Ruwanwella into a Magistrate's Court and District Court.

Justification

The total number of cases in Ruwanwella (in both the Magistrate's Court and District Court) is 5,174 cases (as at 2019).

It is also noted that a new Courts Complex has been constructed, allowing for the facilitation of a separate District Court and Magistrate's Court.

The Ruwanwella Bar Association submitted its observations in response to the draft report of the Committee raising two issues:

- a) That it is completely erroneous to include the Ruwanwella Judicial Division in the Avissawella Judicial Zone as shown at pages 12 and 13 of the Western Province draft report.
- b) That it is unconstitutional in terms of Article 154P(3) to allocate the GN Divisions under the Deraniyagala police station area to Avissawella.

Deliberations and recommendations of the Committee

- a) The Committee has not erroneously included the Ruwanwella Judicial Division in the Avissawella Judicial Zone. What is shown at pages 12 and 13 of the Western Province draft report (by way of a table) is the existing Court structure of the Western Province, not the proposed Court structure. According to the prevailing Gazette No. 1679/40 dated 10.11.2010, Ruwanwella falls under the Judicial Zone of Avissawella – *vide* pages 70-75 of the Gazette.

Nowhere in the draft report has the Committee recommended that the High Court jurisdiction (civil and/or criminal) of Ruwanwella be conferred on Avissawella.

The Kegalle Provincial High Court will continue to exercise its jurisdiction (criminal and civil) as at present.

- b) The Ruwanwella Bar says that it is unconstitutional in terms of Article 154P(3) to allocate the GN Divisions under the Deraniyagala police station to Avissawella.

There is no violation of Article 154P of the Constitution in granting Magistrate's Court and District Court jurisdiction of the GN Divisions under the Deraniyagala police station area to Avissawella. Article 154P did not introduce Provincial District Courts and Provincial Magistrate Courts, only Provincial High Courts.

In fact, this recommendation was made by the Justice Udalagama Committee of 2009. Although this recommendation is reflected in the English Gazette of 2010, it is not found in the Sinhala Gazette. It is presumably a mistake that occurred in the process of translating the original English text to Sinhala. This Committee is merely rectifying the anomaly/mistake.

Panadura Zone

RECOMMENDATION 1:

The Grama Niladari Divisions of the Bandaragama police station area should be divided into two and allocated to the Panadura and Horana Judicial Divisions/Districts, as per Gazette Extraordinary No. 1679/40 dated 10.11.2010.

RECOMMENDATION 2:

The Wadduwa police station area should be divided into two and the GN Divisions bearing Nos. 697, 697A, 697B, 698, 698A, 699, 699A, 702, 702A should be included in the Panadura jurisdiction. The remaining GN Divisions bearing Nos. 700, 703, 703A, 703B, 704, 704A, 704B, 707, 707A, 708, 708A, 708B, 708C, 708D should be allocated to the Kalutara jurisdiction.

Justification

Despite the uniform policy adopted by the Committee in respect of allocating one police station area to one Magistrate's Court, it is recommended, as an exceptional case, to divide the Wadduwa and Bandaragama police areas between two Courts.

The GN Divisions were allocated to the respective Courts based on proximity and in order to balance the workload.

RECOMMENDATION 3:

The Committee recommends introducing a Civil Appeal High Court in Panadura.

Justification

The Civil Appellate High Court sitting in Kalutara covers the Judicial Zones of both Kalutara and Panadura. At present there are 930 pending cases in the Civil Appellate High Court of Kalutara. Hence, the Committee proposes to establish a Civil Appellate High Court in Panadura to hear appeals from the District Court of Panadura and Horana.

The Panadura Bar Association submitted its observations in response to the Committee's draft report repeating the requests made in its initial submissions before the Committee.

Although the Committee fully understands that Panadura is a senior Bar and there are infrastructure facilities already in place to facilitate more work, there needs to be a balance in the distribution of work among the Courts around the Panadura jurisdiction.

The main complaint of the Horana Bar is that their jurisdiction in respect of the Bandaragama police station area was reduced unilaterally without a hearing afforded to them. The GN Divisions in the Bandaragama police station which have been allocated to the Horana jurisdiction are closer in proximity to Horana than to Panadura. The convenience of the public was a predominant consideration of the Committee in making this recommendation.

The Committee did not deliberately intend to cause injustice to the Panadura Bar. The Committee's policy to allocate one police station to one Court could not be implemented in this instance mainly due to (a) the convenience of litigants in terms of proximity and transport facilities, and (b) the fair distribution of work among Courts.

The Committee further notes that with the establishment of the Beruwala Court, the Kalutara jurisdiction will decrease significantly.

Whilst reiterating that there is substance in the submissions of the Panadura Bar, the Committee stands by the recommendations made.

RECOMMENDATION 4:

The Committee recommends creating an Additional District Court and Additional Magistrate's Court in Horana as the existing Courts are burdened with a heavy case load.

Justification

Since the Magistrate's Court in Horana has 9,018 cases (as at 2019) and there are over 2,200 pending cases (as at 2019) in the

District Court, the Committee suggests having two Magistrates' Courts and two District Courts.

The new Court Complex constructed in Horana is well equipped with good facilities but there is little room for expansion. If steps are taken to construct a Pre-Trial Court in Horana, an Additional District Court can function in the same Court house and accommodate sessions for Pre-Trial hearings.

Nevertheless, arrangements need to be made in respect of establishing an Additional Magistrate's Court.

Kalutara Zone

RECOMMENDATION 1:

The Committee recommends establishing a new Magistrate's Court in Meegahathenna to cover the police station areas of Meegahathenna, Thiniyawala and Welipenna.

The Committee further recommends establishing a District Court once the regional Bar Association is formed.

Justification

The territorial jurisdiction of Mathugama is widely spread to cover a fairly large area bordering the Galle and Ratnapura Administrative Districts and comprising ten police station areas. Public transportation in the area has not shown remarkable progress in the past few decades despite the improvement of road networks. Travelling from one District to another may cause immense hardship to litigants.

The Committee is also mindful of the bordering Singharaja Forest and plantation estates which occupy a vast expanse of land.

The Matugama Bar submitted their written observations in response to the Committee's draft report objecting to the recommendation that a new Magistrate's Court be established in Meegahatanna. The Committee stands by this recommendation.

RECOMMENDATION 2:

The entire Police area of Moronthuduwa (706, 706A, 706B, 709, 709A, 709B, 709C, 709D, 701, 701A, 705, 705A, 705B) should be allocated to the Kalutara jurisdiction.

Justification

To balance the workload in Kalutara it is necessary to expand the territorial limits, as two police station areas of Kalutara are to be reallocated to the proposed Beruwala Magistrate's Court. The Committee has also considered the proximity and convenience of litigants in making this recommendation.

RECOMMENDATION 3:

The GN Divisions bearing Nos. 700, 703, 703A, 703B, 704, 704A, 704B, 707, 707A, 708, 708A, 708B, 708C, 708D, which fall under the Wadduwa police station area, should be allocated to the Kalutara jurisdiction.

Justification

Vide Recommendation 2 under Panadura Zone above.

RECOMMENDATION 4:

The Committee recommends establishing an Additional High Court (Criminal) in Kalutara.

Justification

The Committee observes that there are 1,019 cases pending (as at 2019) which is well above the number of cases (i.e. approximately 500) expected to be dealt with in a single High Court. Hence, it is recommended that an additional High Court be established.

RECOMMENDATION 5:

The Committee recommends setting up a new Magistrate's Court in Beruwala, as published in Gazette Extraordinary No. 1679/40 dated 10.11.2010. The Beruwala jurisdiction shall consist of the Beruwala and Aluthgama police station areas.

Justification

The nearest Court along the Galle Road after Kalutara is Balapitiya, which is about 40km away from Kalutara. Beruwala is situated between Kalutara and Balapitiya, 14km away from Kalutara and 29km away from Balapitiya.

Beruwala being a tourist hub and fast-growing business hub, the Committee recommends initially establishing a Magistrate's Court per the 2010 Gazette notification. It is further recommended to facilitate the creation of a District Court in addition to the Magistrate's Court when constructing a Courts Complex, as the Committee is of the view that once the regional Bar is established, a District Court can be introduced.

Allocate the remaining GN Divisions bearing Nos. 700, 703, 703A, 703B, 704, 704A, 704B, 707, 707A, 708, 708A, 708B, 708C, 708D to the Kalutara jurisdiction.

ISSUES REVEALED BY REGIONAL BAR ASSOCIATIONS AND RECOMMENDATIONS OF THE COMMITTEE

All regional Bar Associations in the North Western Province were invited to submit written proposals to the Committee and to participate at the in-person consultations of the Committee for further consideration of their proposals.

The Committee appreciates the prompt response of all the Bar Associations. The Committee notes that the Wariyapola Bar neither participated at the hearings of the Committee nor submitted written proposals. The Marawila Bar did not submit

written proposals but made representations at the consultations of the Committee; the Anamaduwa Bar did not come before the Committee but submitted their proposals in writing.

The proposals made by each and every regional Bar Association and the recommendations of the Committee are summarised below.

Kurunegala

The Kurunegala Bar was represented before the Committee by its President, Secretary, Assistant Secretary and another member. They also submitted written proposals. The Committee wishes to pay a special tribute to the Kurunegala Bar for the constructive proposals made and the unfailing cooperation extended at the consultations of the Committee.

Kurunegala has a Civil Appeal High Court and Criminal High Court with 558 and 1,208 cases pending, respectively, as at 31 December 2020.

There are also two District Courts and two Magistrates' Courts. From a recent physical count submitted by the Registrar, the main District Court has 2,852 pending cases and the Additional District Court has 3,095 pending cases. As at 31 December 2020, the Additional Magistrate's Court had 8,938 pending cases; while there are no case statistics available for the main Magistrate's Court, the representatives of the Kurunegala Bar inform the Committee that the numbers in the main Court are similar to that in the additional Court.

The Kurunegala Bar says in their written proposals “the current case load is unbearable to the system” and proposes that more Courts be created in Kurunegala. In particular, they propose the establishment of another Criminal High Court, District Court and Magistrate’s Court. The Committee agrees with this proposal and recommends the same.

The Kurunegala Bar further proposes that a permanent Magistrate’s Court be set up in Kandulawa (Ibbagamuwa). The representatives of the Kurunegala Bar say there had previously been a Circuit Primary Court under the jurisdiction of the Pilassa Primary Court in Kandulawa (Ibbagamuwa), which was closed down about a decade ago. The Committee agrees with this suggestion and recommends the same. The police station areas that would come under the jurisdiction of the Kandulawa (Ibbagamuwa) Magistrate’s Court are Gokarella, Kumbukgete and part of the Wellawa police station area as reflected under part 10 at page 143A in the Gazette Extraordinary No. 1679/40 dated 10.11.2010.

The representatives of the Kurunegala Bar further say that at present, matters arising in the Grama Niladari Divisions listed under part 10 at page 143A of the Gazette Extraordinary No. 1679/40 dated 10.11.2010 are referred to the Maho Court whereas the same should be reported to the Kurunegala Court in terms of the said Gazette. (The Committee observes that the representatives of the Maho Bar deny this.) The Committee informed the representatives of the Kurunagala Bar to bring this matter to the attention of the Divisional Senior Superintendent of Police in Kurunagala for appropriate steps to be taken. The representatives of the Kurunegala Bar accept that they were unaware that these Grama Niladari Divisions have been gazetted under Kurunegala.

Another request of the Kurunegala Bar is to set up a new police station in Gonagama. The Committee informed the representatives of the Kurunegala Bar that this is not within the purview of the Committee.

The Kurunegala Bar also proposes reallocating five of the 37 Grama Niladari Divisions in the Maspotha District Secretariat Division, presently under the jurisdiction of Kurunegala, to the jurisdiction of Wariyapola on the basis of proximity and convenience. The said Grama Niladari Division Nos. are: 773, 774, 777, 778 and 779. The Committee agrees with this proposal and recommends the same.

Proposals in terms of infrastructure – i.e. relocating the Civil Appeal High Court and the Labour Tribunal, which are presently a considerable distance from the Court premises, closer thereto – were made note of by the Committee member representing the Infrastructure Committee constituted by the Ministry of Justice.

The Kurunegala Bar further proposes that the Grama Niladari Divisions in the Kurunegala District Secretariat Division which are within the jurisdiction of the Polgahawela Magistrate's Court be reallocated to the Kurunegala Court. However, when the Committee informed the representatives of the Kurunegala Bar that the Committee proposes to confer District Court jurisdiction on the Polgahawela Court, the said request was withdrawn.

It is also proposed by the Kurunegala Bar that a portion of the Weerambagedara Divisional Secretariat Division, which now comes under the jurisdiction of Kurunegala, be allocated to the jurisdiction of the Narammala Circuit Court, which operates under the Kuliypitiya Magistrate's Court and which is proposed to be converted into a permanent Magistrate's Court. The relevant

Grama Niladari Division Nos. are: 880, 879, 878, 877, 866, 865, 864, 863, 861, 860, 859. In other words, it is proposed that 11 of the 38 Grama Niladari Divisions in the Weerambagedara police station area / District Secretariat Division be allocated to the jurisdiction of the proposed Narammala Magistrate's Court. The Committee accepts this suggestion but wishes to further discuss the matter with the Kuliyaipitiya Bar (further recommendations in this regard will be made under Kuliyaipitiya).

The final proposal of the Kurunegala Bar is in respect of the Courts of Pilassa and Rambodagalla, which are presently operating from Kurunegala, with 1,315 and 1,207 pending cases, respectively, as at 31 December 2020. The Kurunegala Bar proposes, and the Committee concurs, that Pilassa and Rambodagalla be recognised as separate Judicial Divisions with a permanent Magistrate's Court established in each.

Accordingly, the jurisdiction of the Pilassa Magistrate's Court should include all 94 Grama Niladari Divisions in the Mawathagama police station area, and the jurisdiction of the Rambodagalle Magistrate's Court should include all 61 Grama Niladari Divisions in the Rideegama police station area.

The Kurunegala Bar Association also submitted its written observations in response to the above recommendations incorporated in the North Western Province draft report.

During the initial consultations, the Bar was represented by four members including its President and Secretary. The written observations referred to earlier were also tendered by the President and Secretary. Hence the Committee is surprised to note that following the draft report, the Kurunegala Bar takes a completely contradictory stance to its initial position as

communicated at the initial hearings of the Committee. The Committee sees no reason to change the recommendations already made in the draft report.

RECOMMENDATION 1:

To establish another Criminal High Court, District Court and Magistrate's Court in Kurunegala.

RECOMMENDATION 2:

To establish a permanent Magistrate's Court in Kandulawa (Ibbagamuwa), with jurisdiction over the police station areas of Gokarella, Kumbukgete and part of the Wellawa police station area as reflected under part 10 of page 143A in the 2010 Gazette.

RECOMMENDATION 3:

To reallocate five of the 37 Grama Niladari Divisions in the Maspotha District Secretariat Division, i.e. Nos. 773, 774, 777, 778 and 779, which are presently under the jurisdiction of Kurunegala, to the jurisdiction of Wariyapola.

RECOMMENDATION 4:

To reallocate the following Grama Niladari Division Nos. in the Weerambagedara District Secretariat Division / police station area from the jurisdiction of Kurunegala to the jurisdiction of the permanent Magistrate's Court to be newly proposed in Narammala: 880, 879, 878, 877, 866, 865, 864, 863, 861, 860, 859.

RECOMMENDATION 5:

To recognise Pilassa as a separate Judicial Division with a permanent Magistrate's Court, having jurisdiction over all 94 Grama Niladari Divisions in the Mawathagama police station area.

RECOMMENDATION 6:

To recognise Rambodagalla as a separate Judicial Division with a permanent Magistrate's Court, jurisdiction over all 61 Grama Niladari Divisions in the Rideegama police station area.

Polgahawela

Polgahawela does not have a Bar Association but was represented before the Committee by three practicing lawyers; written proposals were also submitted in advance.

There is a Magistrate's Court in Polgahawela with 4,149 cases pending as at 31 December 2020. The Court has been in operation for the past 10 years.

The only request of the representatives from Polgahawela is for District Court jurisdiction to be conferred on the Polgahawela Court. The Committee views this request favourably and recommends that Polgahawela be recognised as a Judicial District and Judicial Division exercising civil and criminal jurisdiction over the same areas as the present Magistrate's Court, with the Court to be commenced as a Combined Court.

RECOMMENDATION:

To recognise Polgahawela as a Judicial Division and Judicial District, with the Court to be commenced as a Combined Court.

Wariyapola

Wariyapola has a Combined Court with 805 civil cases and 5,452 criminal cases pending as at 31 December 2020.

The Committee proposes to separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

The Wariyapola Bar did not make any representations to the Committee.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Maho

Maho has two Combined Courts. As at 31 December 2020, Combined Court No.1 had 773 civil and 2,404 criminal cases pending; Combined Court No.2 had 873 civil and 2,423 criminal cases pending.

The Committee proposes that the two Combined Courts be separated into one District Court and one Magistrate's Court, to be presided over by two separate Judges.

Maho was represented before the Committee by the President, Secretary and another member of its Bar Association. They also sent in written proposals.

The main proposal of the Maho Bar is to grant High Court jurisdiction to Maho covering the 11 police station areas reporting to the Magistrates' Courts of Maho, Galgamuwa and Nikaweratiya. The Committee is inclined to recommend the same given the high volume of cases in the Kurunegala High Court,

which presently exercises jurisdiction over Maho, as well as due to considerations of distance (eg. Galgamuwa borders the Anuradhapura district and is situated more than 80 km away from Kurunegala).

Requests in respect of infrastructure facilities were referred to the Committee member representing the Infrastructure Committee.

RECOMMENDATION 1:

To separate the two Combined Courts into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To grant High Court jurisdiction to Maho covering the 11 police station areas reporting to the Magistrates' Courts of Maho, Galgamuwa and Nikaweratiya.

Galgamuwa

The Galgamuwa Bar was represented before the Committee by its Vice President, Secretary and two other members.

Galgamuwa has a Magistrate's Court that has been in operation for the past 40 years. As at 31 December 2020, there were 4,058 cases pending therein.

The Galgamuwa Bar proposes that the Court be conferred with civil jurisdiction. The Committee concurs and recommends that Galgamuwa be recognised as a Judicial District and Judicial Division, and that the Court be commenced as a Combined Court.

RECOMMENDATION:

To recognise Galgamuwa as a Judicial District and Judicial Division, with the Court to be commenced as a Combined Court.

Nikaweratiya

Nikaweratiya has a Combined Court with 1,008 civil cases and 3,995 criminal cases pending as at 31 December 2020.

The Committee proposes to separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Nikaweratiya was represented before the Committee by the President and Secretary of its Bar Association. They also sent in written proposals in advance.

The Nikaweratiya Bar Association has only one proposal, which is in respect of the Kobeigane police station area comprising 35 Grama Niladari Divisions. According to the Senior Superintendent of the Nikaweratiya police Division, all but three of those 35 Grama Niladari Divisions (i.e. Halmillakotuwa 1299, Boraluwewa 1318 and Walpothuwewa 1324), come under the jurisdiction of Nikaweratiya. The Nikaweratiya Bar Association requests that the said three Grama Niladari Divisions, which presently report to the Hettipola Court, also be allocated to the jurisdiction of Nikaweratiya. The representatives say infrastructure development has already taken place in Nikaweratiya and there is no reason to exclude those three Grama Niladari Divisions. The Committee sees no reason to disagree and, subsequent to consultations with the Hettipola Bar,

recommends that the said three Grama Niladari Divisions be allocated to the jurisdiction of Nikarawetiya.

RECOMMENDATION 1:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To reallocate the Grama Niladari Divisions of Halmillakotuwa 1299, Boraluwewa 1318 and Walpothuwewa 1324 in the Kobeigane police station area, which presently come under the jurisdiction of Hettipola, to the jurisdiction of Nikaweratiya.

Kuliyapitiya

Kuliyapitiya was represented before the Committee by the President and three other members of its Bar Association. They also submitted written proposals.

Kuliyapitiya has a Criminal High Court, two District Courts, one Magistrate's Court and a Circuit Court in Narammala operating from the Kuliyapitiya Magistrate's Court once a fortnight (however, the representatives of the Kuliyapitiya Bar informed the Committee that this Circuit Court has ceased to function since April 2020 due to the pandemic).

As at 31 December 2020, the pending case load is as follows: 703 cases in the Criminal High Court; 1,994 and 2,423 cases in each of the District Courts; and 11,067 cases in the Magistrate's Court (apparently inclusive of the number of pending cases in the Narammala Circuit Court). According to statistics from the year

2019, there had been 718 cases pending in the Narammala Circuit Court.

The Committee recommends establishing two Magistrates' Courts in Kuliypitiya.

The only proposal of the Kuliypitiya Bar is that Hettipola, which is presently a Judicial Division, not be recognised as a Judicial District – i.e. not to confer District Court jurisdiction on Hettipola. However, the Committee explained to the representatives of the Kuliypitiya Bar that this proposal cannot be accommodated due to the fact that the Hettipola Court has been in operation for the past 11 years and the only request made in the written proposals of the Hettipola Bar Association is the conferment of District Court jurisdiction.

The Committee also discussed with the representatives of the Kuliypitiya Bar the suggestion to convert the Circuit Court in Narammala into a permanent Magistrate's Court. The representatives of the Kuliypitiya Bar were agreeable to this proposal and suggested the following jurisdiction: all the Grama Niladari Divisions in the police station area of Narammala; the Grama Niladari Divisions in the Katupotha police station area which now report to the Kuliypitiya Court; 17 of the 41 Grama Niladari Divisions in the Giriulla police station area, as listed in Part 5 at page 155A of the 2010 Gazette; and part of the Grama Niladari Divisions in the Weerambagedara police station area.

As discussed under Kurunegala, the Committee is favourable to the proposal to convert the Circuit Court in Narammala into a permanent Magistrate's Court. The jurisdiction proposed by the Kuliypitiya Bar in this regard (above) is acceptable, with the exception of the suggestion made in terms of allocating to the

Narammala Court only 17 of the 41 Grama Niladari Divisions coming under the Giriulla police station area; instead, the Committee proposes that all 41 Grama Niladari Divisions in the Giriulla police station area be allocated to the jurisdiction of Narammala, for otherwise there would be an insufficient caseload in the Narammala Court. In respect of the Weerambugedara police station area, as discussed under Kurunegala, the following 11 Grama Niladari Division Nos. 880, 879, 878, 877, 866, 865, 864, 863, 861, 860, 859, which now come under the jurisdiction of Kurunegala, should be allocated to the jurisdiction of Narammala.

RECOMMENDATION 1:

To establish two separate Magistrates' Courts.

RECOMMENDATION 2:

To convert the Narammala Circuit Court into a permanent Magistrate's Court, conferred with jurisdiction as follows: all the Grama Niladari Divisions in the police station area of Narammala; the Grama Niladari Divisions coming under the Katupotha police station area which now report to the Kuliypitiya Courts; all 41 Grama Niladari Divisions listed in Part 5 at page 155A of the 2010 Gazette coming under the Giriulla police station area; and 11 Grama Niladari Divisions (Nos. 880, 879, 878, 877, 866, 865, 864, 863, 861, 860, 859) coming under the Weerambugedara police station area.

Hettipola

Hettipola has a Magistrate's Court with 5,214 cases pending as at 31 December 2020.

The Hettipola Bar Association was represented before the Committee by its President, Secretary and three other members. They also sent in written proposals.

The only request of the Hettipola Bar is the conferment of District Court jurisdiction. As discussed under Kuliypitiya, the Kuliypitiya Bar vehemently objects to this proposal. However, as the Committee explained to the representatives of the Kuliypitiya Bar, the Committee is of the view that Hettipola should be recognised as a Judicial District and Judicial Division, with the jurisdiction of the District Court encompassing the same area as the Magistrate's Court and the Court commencing as a Combined Court.

The Committee also drew the attention of the Hettipola Bar to the request made by the Nikaweratiya Bar Association in terms of reallocating the Grama Niladari Divisions of Halmillakotuwa 1299, Boraluwewa 1318 and Walpothuwewa 1324, which come under the police station area of Kobeigane, presently in the jurisdiction of Hettipola, to the jurisdiction of Nikaweratiya. The members of the Hettipola Bar express no objection to the same.

Requests in terms of infrastructure were noted down by the Committee member representing the Infrastructure Committee.

RECOMMENDATION 1:

To recognise Hettipola as a Judicial Division and Judicial District, with the Court to be commenced as a Combined Court.

RECOMMENDATION 2:

To reallocate the Grama Niladari Divisions of Halmillakotuwa 1299, Boraluwewa 1318 and Walpothuwewa 1324 in the

Kobeigane police station area, which presently come under the jurisdiction of Hettipola, to the jurisdiction of Nikaweratiya.

Chilaw

There is Criminal High Court and two Combined Courts in Chilaw. As at 31 December 2020, there were 514 cases pending in the Criminal High Court and a total of 2,492 civil cases and 10,374 criminal cases pending in the two Combined Courts (Combined Court No.1 had 717 civil cases and 6,786 criminal cases; Combined Court No.2 had 1,775 civil cases and 3,588 criminal cases).

The Committee recommends that the two Combined Courts be separated into two Magistrates' Courts and two District Courts, to be presided over by four Judges.

The Chilaw Bar was represented before the Committee by its President and Secretary. They also sent in written proposals.

The Chilaw Bar proposes that the following Grama Niladari Divisions in the Udappuwa police station area – i.e. Nos. 597A, 594A, 594, 594B, 593, 610C, 593B, 593A – which presently come under the jurisdiction of Puttalam be allocated to the jurisdiction of Chilaw, as had been the situation prior to the 2010 Gazette. Following consultations with the Puttalam Bar and having taken all the attendant facts and circumstances into consideration, including proximity and convenience, the Committee is in favour of this proposal of the Chilaw Bar, despite the Puttalam Bar being disagreeable with the same.

It is further requested by the Chilaw Bar that 14 Grama Niladari Divisions in the Pallama police station area / District Secretariat Division, presently gazetted under the jurisdiction of Anamaduwa, be reallocated to the jurisdiction of Chilaw, as was the situation prior to the 2010 Gazette.

While it is true in fact that four Grama Niladari Divisions in the Pallama police station area / District Secretariat Division come under the jurisdiction of Chilaw, the Committee notes that the present arrangement serves the needs of the general public, despite the Pallama police station area being consequently divided between the Chilaw and Anamaduwa Courts. However, the representatives of the Chilaw Bar submit that if their previous request in terms of the Grama Niladari Divisions in the Udappuwa police station area can be accommodated, they will cease to pursue the instant request. As the Committee proposes to recommend the previous request, this proposal need not be considered at present.

The Chilaw Bar further proposes that a High Court of Civil Appeal be established with jurisdiction over the District Courts of Chilaw, Marawila, Puttalam and the District Court to be newly proposed in Anamaduwa. The Committee concurs and recommends that Chilaw be made a Judicial Zone with jurisdiction over the said District Courts.

RECOMMENDATION 1:

To separate the two Combined Courts into two District Courts and two Magistrates' Courts, to be presided over by four Judges.

RECOMMENDATION 2:

To reallocate the Grama Niladari Division Nos. 597A, 594A, 594, 594B, 593, 610C, 593B, 593A in the Udappuwa police station

area, which presently come under the jurisdiction of Puttalam, to the jurisdiction of Chilaw.

RECOMMENDATION 3:

To establish a High Court of Civil Appeal in Chilaw with jurisdiction over the District Courts of Chilaw, Marawila and Puttalam, as well as the District Court to be newly proposed in Anamaduwa.

Marawila

Marawila has two Combined Courts with a total of 1,787 civil cases and 10,574 criminal cases pending as at 31 December 2020 (Combined Court No.1 had 1,173 civil cases and 5,420 criminal cases; Combined Court No.2 had 614 civil cases and 5,154 criminal cases).

The Committee proposes that the two Combined Courts be separated into two Magistrates' Courts and one District Court, presided over by three Judges.

The Zonal Vice President of Chilaw participated at the consultations of the Committee on behalf of the Marawila Bar; no written proposals were submitted. The representative also expressed support for the proposed establishment of a High Court of Civil Appeal in Chilaw encompassing inter alia the jurisdiction of Marawila.

RECOMMENDATION:

To separate the two Combined Courts into two Magistrates' Courts and one District Court, to be presided over by three Judges.

Puttalam

There is a Criminal High Court and two Combined Courts in Puttalam. As at 31 December 2020, there were 308 cases pending in the Criminal High Court, and a total of 4,029 civil cases and 12,465 criminal cases pending in the two Combined Courts (Combined Court No.1 had 1,140 civil cases and 6,572 criminal cases; Combined Court No.2 had 2,889 civil cases and 5,893 criminal cases). There is a Circuit Court in Kalpitiya operating from the Puttalam Court once a fortnight, wherein there were 2,800 cases pending as at 31 December 2020.

The Committee recommends that the Combined Courts be separated into two Magistrates' Courts and one District Court (the Committee was inclined to propose two District Courts, but the Committee member representing the Infrastructure Committee informs this Committee that a Small Claims Court is to be set up in Puttalam and hence there is no necessity for two District Courts to be proposed).

The Puttalam Bar Association was represented before the Committee by its Secretary and two other members. They also sent in their written proposals.

The Puttalam Bar requests that a Civil Appeal High Court be set up in Puttalam. However, when the Committee informed the representatives of the Puttalam Bar that a Civil Appeal High Court is proposed to be established in Chilaw, this request was withdrawn.

Although the Puttalam Bar made submissions in their written proposals against converting the Kalpitiya Circuit Court into a permanent Magistrate's Court, the representatives of the

Puttalam Bar agreed during the consultations with the Committee that the Kalpitiya Circuit Court should be made permanent. The Committee recommends that the Kalpitiya Circuit Court be made a permanent Magistrate's Court with jurisdiction over the police station areas of Kalpitiya and Norochcholai.

The Committee informed the Puttalam Bar of the proposal of the Chilaw Bar to allocate part of the Udappuwa police station area – i.e. Grama Niladari Nos. 594, 594A, 594B, 593, 593A, 593B, 597A, 610C – to the jurisdiction of Chilaw. The representatives of the Puttalam Bar were not agreeable to this proposal but accept that the distance from Udappuwa to Chilaw is only 26 km, whereas the distance from Udappuwa to Puttalam is 41 km. Taking everything into consideration, the Committee decides to allocate the said Grama Niladari Divisions in the police station area of Udappuwa to the jurisdiction of Chilaw. The remaining Grama Niladari Divisions in the Udappuwa police station area – i.e. Nos. 597, 597B, 598, 598B, 598C – should remain under the jurisdiction of Puttalam.

RECOMMENDATION 1:

To separate the two Combined Courts into two Magistrates' Courts and one District Court, to be presided over by three Judges.

RECOMMENDATION 2:

To reallocate the Grama Niladari Division Nos. 597A, 594A, 594, 594B, 593, 610C, 593B, 593A in the Udappuwa police station area, which presently come under the jurisdiction of Puttalam, to the jurisdiction of Chilaw.

RECOMMENDATION 3:

To convert the Kalpitiya Circuit Court into a permanent Magistrate's Court with jurisdiction over the police station areas of Kalpitiya and Norochcholai.

Anamaduwa

Anamaduwa has a Magistrate's Court with 3,653 cases pending as at 31 December 2020.

The Anamaduwa Bar did not participate at the consultations of the Committee but submitted their proposals in writing.

The only request of the Anamaduwa Bar is that Anamaduwa be recognised as a Judicial District and Judicial Division, with District Court jurisdiction to be also conferred. The Committee is inclined to accept this proposal and recommends that the Court be commenced as a Combined Court.

RECOMMENDATION:

To recognise Anamaduwa as a Judicial Division and Judicial District, with the Court to be commenced as a Combined Court.

SABARAGAMUWA PROVINCE

EXISTING COURT STRUCTURE OF THE SABARAGAMUWA PROVINCE

The Sabaragamuwa Province consists of three Judicial Zones: Kegalle, Ratnapura and Embilipitiya.

The Kegalle Judicial Zone consists of three Judicial Districts and Divisions: Kegalle, Warakapola and Mawanella. The Aranayaka Circuit Court falls under the Mawanella Magistrate’s Court.

The Ratnapura Judicial Zone has three Judicial Districts and four Judicial Divisions. The three Judicial Districts are: Ratnapura, Balangoda and Pelmadulla. The four Judicial Divisions are: Ratnapura, Balangoda, Pelmadulla and Kalawana.

However, a permanent Magistrate’s Court has not been established at Kalawana despite having been gazetted. Kalawana operates as a Circuit Court under Ratnapura and Rakwana operates as a Circuit Court under Pelmadulla.

The Embilipitiya Judicial Zone comprises the Judicial District and the Judicial Division of Embilipitiya.

ISSUES REVEALED BY REGIONAL BAR ASSOCIATIONS AND RECOMMENDATIONS OF THE COMMITTEE

All regional Bar Associations in the Sabaragamuwa Province were invited to make recommendations to the Committee for further consideration. The Committee appreciates the prompt response of all Bar Associations. The recommendations/proposals made by each and every regional Bar Association are summarised below.

All Bar Associations were represented at the meeting. The Ratnapura Bar Association did not tender any written proposals to the Committee.

Kegalle

The Kegalle Bar was represented by four members, including its President and Secretary. Kegalle has 2 Magistrate Courts, 3 District Courts, 1 Criminal High Court and 1 Civil Appeal High Court. The third District Court has been set up with the specific objective of concluding very old pending civil cases. There are 2 Magistrates, 3 District Judges, 1 Criminal High Court Judge and 2 Civil Appeal High Court Judges.

The Committee observes that the present workload of the respective Courts is at a manageable level.

The Kegalle Bar does not raise jurisdictional issues and is content with maintaining the *status quo*. The Committee observes that there is no reason to interfere with the jurisdiction of Kegalle.

However, the Kegalle Bar Association in its written observations in response to the Committee's draft report on the Sabaragamuwa Province says that the existing Court structure at page 2 of the Sabaragamuwa Province draft report is incorrect

in that the Kegalle Judicial Zone at present consists of four Judicial Districts and Judicial Divisions including Ruwanwella. This is erroneous. The Committee does not propose to change the existing Court structure. According to the existing Court structure, Ruwanwella falls under the Judicial Zone of Avissawella, not under Kegalle – *vide* pages 77-82 of the Gazette Extraordinary No. 1679/40 dated 10.11.2010.

The Kegalle Provincial High Court will continue to exercise its civil and criminal jurisdiction as at present.

RECOMMENDATION:

The Committee recommends maintaining the *status quo* of the jurisdiction of Kegalle.

Warakapola

The Bar Association of Warakapola was represented by its Deputy President and Secretary.

Currently, Warakapola functions as a Combined Court. There is only 1 Judge handling both civil and criminal matters. There are approximately 1,056 civil matters and 1,495 criminal matters pending.

In line with the Government policy to do away with the Combined Court concept, the Committee proposes to create two separate Courts – one for the District Court and the other for the Magistrate’s Court. The Bar says this separation is possible with the present resources in that the Magistrate’s Court can commence work as a separate entity in the newly renovated Magistrate’s Court building.

The Warakapola Bar also points out that if the Committee proposes to maintain two separate Courts, there will be insufficient work for both Courts. On this basis, they contend that the Grama Niladari Divisions falling under the Divisional Secretariat Division of Alawwa be allocated to the Warakapola jurisdiction. At present, this Divisional Secretariat Division falls under the Polgahawala Magistrate's Court jurisdiction.

The Divisional Secretariat Division of Alawwa is in the Kurunegala District. Magistrate's Court jurisdiction is exercised by the Polgahawela Magistrate's Court, and District Court jurisdiction is exercised by the District Court of Kurunegala. The two High Courts exercising Criminal and Civil jurisdiction are in Kurunegala.

The Committee intends to propose that the Polgahawela Magistrate's Court be upgraded to a District Court. If this proposal is implemented, the request of the Warakapola Bar in this regard would be ruled out. The Warakapola Bar acknowledges this position.

RECOMMENDATION:

The Committee proposes to establish 2 separate Courts in Warakapola – a District Court and a Magistrates Court – utilising the existing facilities. There should be 2 Judges instead of 1 Judge as at present.

Mawanella

The Bar Association of Mawanella was represented by its President and Secretary.

Mawanella has a Combined Court presided over by a single Judge. There are approximately 6,500 pending criminal cases and 1,500 pending civil cases. There is a Circuit Court also attached to this Court which is located in Aranayake. The representatives of the Mawanella Bar stated that the Judge sitting in Mawanella goes to the Aranayake Circuit Court every fortnight. Upon inquiry, they stated that the trial roll and the calling roll of this Circuit Court extend to approximately 6 months.

There are 5 police stations that fall under Mawanella: Mawanella, Hemmathagama, Aranayake, part of Rambukkana, and the SCIB cases of the Kegalle Police Division which fall under the Mawanella jurisdiction.

The Mawanella Bar Association agrees to close down the Aranayake Circuit Court and to transfer those cases to the Mawanella main Court.

The Committee is of the view that the best way to deal with the workload of the Mawanella Court is to:

- a) close down the Aranayake Circuit Court
- b) transfer the Aranayake Circuit Court work to the Mawanella Court
- c) separate the District Court and the Magistrate's Court
- d) appoint an additional Judge so the two Court houses will be presided over by two separate Judges

The representatives informed the Committee that there are no infrastructure facilities to start a separate Court.

RECOMMENDATION 1:

To separate the Combined Court into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

(Until a new Court Complex is erected, a suitable building close to the existing Court should be rented out to house the new Court.)

RECOMMENDATION 2:

To abolish the Aranayake Circuit Court.

RECOMMENDATION 3:

To expedite the creation of the new Court Complex.

Ratnapura

The Ratnapura Bar Association was represented by its President. The Ratnapura Bar did not send a written set of proposals beforehand nor was any written proposal submitted at the meeting. The President of the Bar suggests maintaining the *status quo*.

The Ratnapura Court Complex comprises 2 Magistrate Courts, 2 District Courts, 2 Criminal High Courts and 1 Civil Appeal High Court. There is a Circuit Court in Kalawana operating from Ratnapura. The Magistrate of Ratnapura goes to the Kalawana Circuit Court once a week.

There were 7,629 criminal cases pending in the Magistrate's Court as at 31 December 2019. By 31 December 2020, there were 6,465 civil cases pending in the District Court. There were 1,261 Criminal High Court cases pending as at 31 December 2020 and 249 Civil Appeal High Court cases pending as at 31 December 2019.

Considering the volume and the nature of the District Court matters, the Committee is of the view that a third District Court

is necessary to effectively cope up with the civil workload in Ratnapura. This is in line with the general principle adopted by the Committee: i.e. recommending that an additional District Court be established where there are more than 2,000 pending District Court matters in a particular Court.

As observed earlier, Kalawana is presently functioning as a Circuit Magistrate's Court under Ratnapura. However, Kalawana has been gazetted as a separate Magistrate's Court by Gazette No. 2105/75 dated 12 January 2019, although this has not yet been implemented.

RECOMMENDATION 1:

To set up an additional District Court in Ratnapura (to have 3 separate District Courts presided over by 3 District Judges).

RECOMMENDATION 2:

To give effect to Gazette No. 2105/75 dated 12 January 2019 to set up a permanent Magistrate's Court in Kalawana.

Upon establishment of the permanent Magistrate's Court in Kalawana, the Committee proposes to upgrade it to a District Court after a period of time.

Balangoda

The Balangoda Bar Association was represented by its President, Secretary and several members. They also submitted written proposals.

The Balangoda Court is a Combined Court presided over by 1 Judge. There are 1,873 civil matters and 4,691 criminal matters pending as at 30 September 2020. Therefore, the Committee is of

the view that there should be two separate Courts handled by 2 separate Judges – one for civil matters and the other for criminal matters.

The old Magistrate's Court building can be used as a Court house.

The only request made by the Balangoda Bar in its written proposal is to set up a Criminal High Court in Balangoda. At present, the Balangoda Magistrate's Court jurisdiction falls under the Ratnapura High Court jurisdiction. According to the written proposal of the Balangoda Bar, there are currently 22 criminal appeals, 44 non-summary cases and 151 cases on indictments pending in the Ratnapura Criminal High Court from Balangoda.

The majority view of the Committee is that there is no necessity to set up a Criminal High Court in Balangoda for the sole purpose of handling Balangoda Magistrate's Court matters, as there appears to be an insufficient workload at present.

The Bar Association of Palmadulla in its representation supported the suggestion of the Balangoda Bar to set up a Criminal High Court in Balangoda and to confer Palmadulla Magistrate's Court jurisdiction to the Balangoda High Court jurisdiction.

The Palmadulla Bar Association in its written proposal requested that the Opanayake police station area, which presently falls under Balangoda jurisdiction, be allocated to Palmadulla jurisdiction. The Balangoda Bar vehemently objects to this suggestion.

RECOMMENDATION:

To separate the Combined Court into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

Palmadulla

The Palmadulla Bar was represented by several members including its President.

Palmadulla has a Combined Court presided over by 1 Judge. As at 30 September 2020 there were 2,073 pending District Court cases and 4,743 pending Magistrate's Court cases.

There is a Circuit Court at Rakwana under Palmadulla Division. The Palmadulla Judge goes to the Rakwana Circuit Court once a week.

The Committee is strongly of the view that there should be 2 separate Courts in Palmadulla – one Court to handle civil matters and the other to handle criminal matters.

At present, there is no space to start a separate Court. Therefore, until a new building is erected, space shall be rented out for this purpose.

At present, the entire Opanayake police station area comes under the Balangoda jurisdiction. The Pelmadulla Bar proposes that the Grama Niladari Divisions of the Opanayake police station area, which are closer to Pelmadulla, should be allocated to Pelmadulla jurisdiction. The said Grama Niladari Divisions are: 244, 244A, 244C, 244D, 242, 242B, 243, 243A. This proposal is made on the basis that a new Criminal High Court would be established in Balangoda. However, when it was intimated that the Committee does not intend to recommend that a new Criminal High Court be established in Balangoda due to the insufficient number of cases, the Palmadulla Bar did not vigorously pursue this suggestion.

Drawing the attention of the Committee to the second point raised in its written proposal, the Palmadulla Bar stated that cases filed in the Ratnapura and Embilipitiya Magistrate Courts by the Ratnapura and Godakawela Police, respectively, should be filed in Palmadulla. The Bar says the present practice is in contravention of Gazette No. 1679/40 dated 10 November 2010 (*vide* pages 88A/89A of the English version of the said Gazette). The Ratnapura police are said to be filing in the Ratnapura Court, cases coming under the Grama Niladari Divisions 178A, 178, 172, 172B, 172A, which are gazetted under the Palmadulla jurisdiction. Likewise, the Godakawela police are said to be filing in the Embilipitiya Court, cases coming under the Grama Niladari Divisions 237A and 237C, which are gazetted under the Palmadulla jurisdiction.

The representative of Committee member Senior DIG Ajith Rohana undertook to inform the Senior DIG of this situation and notify the said two police stations not to file cases in violation of the Gazette.

The Palmadulla Bar Association raises no objection to implementing the decision to establish a permanent Magistrate's Court at Kalawanna, as reflected in Gazette No. 2105/75 dated 12 January 2019. The Committee observes that once the permanent Magistrate's Court is set up in Kalawanna, the workload of the Rakwana Circuit Court of Palmadulla will reduce. Therefore, the Committee proposes to abolish the Rakwana Circuit Court and allocate the remaining cases of the Rakwana Circuit Court to the Palmadulla permanent Court.

RECOMMENDATION 1:

To separate the Combined Court into a District Court and a Magistrate's Court, to be presided over by two separate Judges. (Space should be rented out for the new Court.)

RECOMMENDATION 2:

To abolish the Rakwana Circuit Court.

Embilipitiya

The Embilipitiya Bar Association was represented by its President and Secretary.

There are 1,954 pending District Court cases, 5,800 pending Magistrate's Court cases, and 335 pending Criminal High Court cases in Embilipitiya.

The Bar Association of Embilipitiya suggests maintaining the *status quo*.

When confronted with the proposal of the Hambantota Bar Association to reallocate the 7 Grama Niladari Divisions falling under the Sooriyawewa Police Station (Sooriyawewa Divisional Secretariat Division and Hambantota District) to the Hambantota Court, the Embilipitiya Bar Association objected stating that the entirety of Sooriyawewa police area previously fell under Embilipitiya and later on in 2014 these 7 Grama Niladari Divisions were allocated to Embilipitiya jurisdiction for the convenience of the general public.

However this violates District and Provincial boundaries. Sooriyawewa is in the Hambantota District of the Southern Province whereas Embilipitiya is in the Ratnapura District in the Sabaragamuwa Province. The Suriyawewa police station area at present reports to two Courts: 7 Grama Niladari Divisions to Embilipitiya and the balance to Hambantota.

The Division between two provinces creates problems in relation to the jurisdiction of the Provincial High Court as well. Therefore, the Committee is of the view that the 7 Grama Niladari Divisions reporting to Embilipitiya should be allocated to Hambantota jurisdiction.

RECOMMENDATION:

To repeal part XLIII at page 11A of the Gazette dated 26.11.2014 (English version) and reallocate those 7 Grama Niladari Divisions from Embilipitiya jurisdiction to Hambantota jurisdiction. The GN Divisions are: Weniwela Ara 108, Wiharagala 106, Weeriyagama 115, Hathporuwa 114, Aliolu Ara 113, Bedigantota 132 and Mahapalassa 107 in the Divisional Secretariat Division of Sooriyawewa.

SUMMARY OF RECOMMENDATIONS – SABARAGAMUWA PROVINCE

KEGALLE

- Maintain the status quo.

WARAKAPOLA

- Establish 2 separate Courts in Warakapola – a District Court and a Magistrate’s Court – utilising the existing facilities. There should be 2 Judges instead of 1 Judge as at present.

MAWANELLA

- Separate the Combined Court into a District Court and a Magistrate’s Court, to be presided over by two separate Judges. (Until a new Court complex is erected, a suitable building close to the existing Court should be rented out to house the new Court.)
- Abolish the Aranayake Circuit Court and expedite the creation of the new Court complex at Mawanella.

RATNAPURA

- Set up an additional District Court in Ratnapura (by doing this, there would be 3 District Courts presided over separately by 3 District Judges).
- Give effect to Gazette No. 2105/75 dated 12 January 2019 to set up a permanent Magistrate’s Court in Kalawana.
- (Upon establishment of the permanent Magistrate’s Court in Kalawana), upgrade the Kalawana Court to a District Court after an appropriate period of time.

BALANGODA

- Separate the Combined Court into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

PALMADULLA

- Separate the Combined Court into a District Court and a Magistrate's Court, to be presided over by two separate Judges. (Space should be rented out for the new Court.)
- Abolish the Rakwana Circuit Court.

EMBILIPITIYA

- Repeal part XLIII at page 11A of the Gazette dated 26.11.2014 (English version) and reallocate those 7 Grama Niladari Divisions from Embilipitiya to Hambantota. The Grama Niladari Divisions are: Weniwela Ara 108, Wiharagala 106, Weeriyagama 115, Hathporuwa 114, Aliolu Ara 113, Bedigantota 132 and Mahapalassa 107 in the Divisional Secretariat Division of Sooriyawewa.

CENTRAL PROVINCE

EXISTING COURT STRUCTURE OF THE CENTRAL PROVINCE

The Central Province consists of three Judicial Zones: Kandy, Matale and Nuwara Eliya.

The Kandy Judicial Zone consists of four Judicial Districts and five Judicial Divisions. The four Judicial Districts are: Kandy, Teldeniya, Gampola and Nawalapitiya. The five Judicial Divisions are: Kandy, Galagedera, Teldeniya, Gampola, and Nawalapitiya.

There is a Circuit Magistrate's Court in Panwila which operates from the Teldeniya Magistrate's Court.

The Circuit Magistrate's Court in Helboda operates from the Nawalapitiya Magistrate's Court.

The Matale Judicial Zone consists of two Judicial Districts and three Judicial Divisions. The two Judicial Districts are: Matale and Dambulla. The three Judicial Divisions are: Matale, Naula and Dambulla.

There are two Circuit Courts which operate from the Naula Magistrate's Court, namely Laggala and Paldeniya.

The Sigiriya/Kimbissa Circuit Court operates from the Dambulla Magistrate's Court.

The Nuwara Eliya Judicial Zone consists of three Judicial Districts and Judicial Divisions: Nuwara Eliya, Walapana and Hatton.

ISSUES REVEALED BY REGIONAL BAR ASSOCIATIONS AND RECOMMENDATIONS OF THE COMMITTEE

All regional Bar Associations in the Central Province were invited to make recommendations to the Committee in person for further consideration. The Committee appreciates the prompt response of all Bar Associations. The proposals made by each and every regional Bar Association and the recommendations of the Committee are summarised below.

Kandy

The Bar Association of Kandy was represented by its President, Secretary and two other members. The Kandy Bar also sent in their written proposals beforehand.

The Kandy Court complex has 3 Criminal High Courts, 1 Civil Appeal High Court, 5 District Courts, 3 Magistrates' Courts and 1 Labour Tribunal.

As at 31 December 2019, there were approximately 12,346 pending cases in the 3 Magistrates' Courts.

As at 31 December 2020, there were approximately 15,547 pending cases in the 5 District Courts. The breakdown of the cases are as follows: 3,185 cases in the (main) District Court; 2,555 cases in Additional District Court No. 1; 3,835 cases in Additional District Court No. 2; 3,185 cases in Additional District Court No. 3; and 2,787 cases in Additional District Court No. 4.

Considering the proximity of the Grama Niladari Divisions to the Kandy Courts, and the slow disposal rate of cases in the Walapane and Teldeniya District and Magistrates' Courts, the Kandy Bar requests:

- a) To allocate some of the Grama Niladari Divisions that fall under the Kundasale and Pathadumbara Divisional Secretariat Divisions, which now fall under the Teldeniya jurisdiction, to the Kandy jurisdiction. This is in respect of Magistrate's Court jurisdiction. In respect of civil jurisdiction, the Kandy Bar suggests concurrent civil jurisdiction with the Teldeniya Judicial District.
- b) To allocate the Grama Niladari Divisions of the Hanguranketha Divisional Secretariat Division, which now fall under the Walapane jurisdiction, to the Kandy jurisdiction. This is in respect of Magistrate's Courts jurisdiction.

The Kandy Courts are inundated with heavy caseloads with a fewer number of Judges, whereas the Teldeniya and Walapane District and Magistrate's Courts have a limited number of cases. The reason for the slow disposal rate in the Teldeniya and Walapane District and Magistrate's Courts is that those two Courts are Combined Courts presided over by a single Judge. The Committee proposes that they be separated as a District Court and Magistrate's Court, allowing for civil and criminal cases to be taken up separately by two Judges on all five days of the week in order to improve the rate of disposal.

The Committee observes that out of the 5 District Courts in Kandy, 2 District Courts have exceeded the 3,000 caseload limit while another Additional Court is close to reaching this limit. Accordingly, the Committee sees no reason to accommodate the above two proposals presented by the Kandy Bar.

The Committee finds that the 3 Criminal High Courts in Kandy had 1,243 pending cases as at 31 December 2019. At the end of the year 2020, 1,235 cases were pending in all three Criminal High Courts.

There were approximately 786 pending cases in the Civil Appeal High Court as at 31 December 2020. The Committee contemplates proposing Civil Appeal High Courts both in the Matale District and Nuwara Eliya District to ease this workload.

In their written observations in response to the draft Central Province Report, the Kandy Bar objects to the expansion of civil appellate jurisdiction (hitherto exclusively exercised by the Kandy High Court) to all Provincial High Courts of the Central Province – i.e. Kandy, Nuwara Eliya and Matale. The Committee takes the view that as Kandy, Nuwara Eliya and Matale all come under the

Central Province, there is no constitutional impediment to the civil appellate jurisdiction being shared among all three High Courts.

The Kandy Bar proposes to establish a Commercial High Court in Kandy. The Committee is favourable to this suggestion. As Kandy is a commercial city with many cases arising out of commercial disputes, this proposal will be beneficial to the Central Province. Jurisdiction to enforce arbitration awards has already been conferred on the Provisional High Court of Kandy.

RECOMMENDATION:

To set up a Commercial High Court in Kandy for the entire Central Province, i.e. the districts of Matale, Kandy and Nuwara Eliya.

Galagedera

The Bar Association of Galagedera was represented by its members including its President. They also sent in their written proposals in advance.

Galagedera has only a Magistrate's Court. As at 31 December 2020, there were 1,386 pending cases.

Their main request to the Committee is to confer civil jurisdiction to Galagedera and to set up a District Court. The Galagedera Bar states that infrastructure facilities are already in place to operate two separate Courts.

The Committee takes the view that this is a reasonable suggestion and that the Court should commence as a Combined Court.

RECOMMENDATION:

To upgrade Galagedera to a Judicial District and set up a District Court (initially functioning as a Combined Court).

Teldeniya

The Bar Association of Teldeniya was represented by its Vice President and Secretary. They sent in a written proposal before the meeting.

Teldeniya has a Combined Court wherein there were 4,912 pending criminal cases and 1,343 pending civil cases as at 31 December 2020.

The Teldeniya Bar states that at present, their Court house operates in a hired premises. The construction of a new Court house is underway but it has been an exceptionally slow process and must be expedited. The Committee informed the Teldeniya Bar to place their grievance before the Infrastructure Committee also constituted by the Ministry of Justice.

In relation to the jurisdictional dispute between Kandy and Teldeniya, the Teldeniya Bar requests that the status quo be maintained.

There is a functioning Circuit Court in Panwila that operates from the Teldeniya Magistrate's Court. The Wattegama and Panwila police stations report to the Panwila Circuit Court. As at 31 December 2019, there were 1,500 pending cases therein.

The Teldeniya Bar says there is no necessity to convert the Panwila Circuit Court into a permanent Court.

The Committee observes that Panwila is a less developed area whereas Wattedagama is better developed. The Committee proposes establishing a permanent Magistrate's Court and District Court in Wattedagama instead of in Panwila, and to close the Panwila Circuit Court. The Wattedagama Court can initially be commenced as a Combined Court.

RECOMMENDATION:

To establish a permanent Magistrate's Court and District Court in Wattedagama and to allocate the Panwila, Menikhinna and Wattedagama police station areas to the jurisdiction of the Wattedagama Court. It can initially be commenced as a Combined Court.

Gampola

The Bar Association of Gampola was represented by its President and Secretary. They also tendered an exhaustive written proposal.

By the end of 2020, there were 2,725 cases pending in the Magistrate's Court and 2,974 cases pending in the District Court.

The Court functions as a Combined Court presided over by a single Judge. The Committee takes the view that the Combined Court ought to be separated in order to effectively function as two Courts.

The Gampola Bar has 4 main proposals:

- a) That the following Grama Niladari Divisions falling under the Pussellawa police station area, which are within the Helboda

Circuit Court under the Nawalapitiya jurisdiction, be allocated to the Gampola jurisdiction because the said Grama Niladari Divisions border the Gampola-Nuwara Eliya main road and are located closer to the Gampola Court. Furthermore, the Gampola Bar says the transportation facilities from those Divisions to the Gampola Court are more convenient than the transportation facilities to Nawalapitiya. The aforementioned Grama Niladari Divisions are: Frotoft 474M, Wewahinna 474B, Deluntalamada 473A, Karagasthalawa 474A, Ramboda 474, Sangilipalama 471A, Panangamma 473, Katukithula 474E, Rambodagama 472, Wedamulla 474K, and Pallalgolla 474D.

In response to the Committee's Central Province draft report, the Bar Association of Gampola proposed that the existing Helboda Circuit Court be closed and that the work be distributed between Gampola and Nawalapitiya as there is not adequate work for Gampola and Nawalapitiya.

The Gampola Bar further state that new Court Complexes were recently built in Gampola and Nawalapitiya, and with the appointment of two Judges to each Court, there is no further necessity for the Helboda Circuit Court to function.

This Committee was appointed not to decrease the number of Courts but to increase them (unless there are cogent reasons to suggest the contrary) in order to reduce law's delays. That is the policy of the Government. Hence this Committee cannot accept the proposal of the Gampola Bar to close down the Helboda Circuit Court, which has around 1,346 pending cases. As stated in the draft report, the construction of a two-storied building for the new Court in Helboda is underway.

The Committee does not say that the GN Divisions referred to above by the Gampola Bar are closer to Nawalapitiya than to Gampola, but if those GN Divisions are allocated to Gampola, then the Helboda Court has to be closed down, which the Committee does not wish to do. Hence the Committee recommends that the Helboda Court continue to function as a Circuit Court from the Nawalapitiya Magistrate's Court.

- b) To allocate the Ududeniya and Hunugala Grama Niladari Divisions, which fall under the newly created Pupuressa police station area, and the Grama Niladari Divisions of Ganegoda 1158, Nillamba 1137, Nawa Nillamba 1136, Thumpelawaka 1140, and Mulgama 1132 under the Galaha police station area to the Gampola jurisdiction.

The Committee recommends allocating the Grama Niladari Divisions of Ududeniya 1134 and Hunugala 1142 to the Gampola jurisdiction. The Committee does not recommend allocating the remaining Grama Niladari Divisions to the Gampola jurisdiction.

- c) To allocate the Grama Niladari Division Egoda Kalugamuwa 1159 to the Gampola jurisdiction on the basis that the said Grama Niladari Division is currently under the Dawlagala police station area.

However, the Committee observes that the Egoda Kalugamuwa Grama Niladari Division is under the Peradeniya police station area and the entire Peradeniya police station reports to the Kandy Court. Therefore, the Committee is unable to entertain the said proposal.

d) The Gampola Bar further requests that the 1051 Alugolla GN Division be removed from the Nawalapitiya jurisdiction and allocated to Gampola. This is not possible as Allugolla is closer to Nawalapitiya than to Gampola and transport facilities to Nawalapitiya are also better. Moreover, the adjoining GN Divisions under the Ganga Ihala Korale Divisional Secretariat Division – Kelly Group 1049, Rakshawa 1053, Miyanagolla 1050 – fall under Nawalapitiya.

RECOMMENDATION 1:

To separate the Combined Court in Gampola into a District Court and a Magistrate’s Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To allocate the Grama Niladari Divisions Ududeniya 1134 and Hunugala 1142 to the Gampola jurisdiction.

Nawalapitiya

The Bar Association of Nawalapitiya was represented by its President and Secretary. They also sent in their proposals in writing.

Nawalapitiya has a Combined Court. As at 31 December 2020, there were 1,979 pending cases in the Magistrate’s Court and 1,101 pending cases in the District Court. The Nawalapitiya Bar proposes creating two separate Courts – a District Court and a Magistrate’s Court. The Committee agrees with this proposal.

The Nawalapitiya Bar expresses its concern that if a permanent Magistrate’s Court is established in Helboda, it will drastically

reduce the workload in the Nawalapitiya Courts, thereby confining the caseload in Nawalapitiya to the Nawalapitiya police station area and the five Grama Niladari Divisions of the newly created Nawa Kurunduwatta police station area.

A new Court Complex has been constructed in Nawalapitiya at a significant expense. Once the District Court and Magistrate's Court start functioning separately, there will not be enough work for the Nawalapitiya Bar if the Helboda Circuit Court (which functions at present under Nawalapitiya) is made a permanent Court.

The Committee proposes to maintain the status quo in terms of the Helboda Circuit Court, i.e. it should continue to function as a Circuit Court under Nawalapitiya (civil jurisdiction will also be exercised by the Nawalapitiya Court with High Court jurisdiction – civil and criminal – under Kandy as at present).

RECOMMENDATION 1:

To separate the Combined Court in Nawalapitiya into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To maintain the status quo of the Helboda Circuit Court (i.e. it should continue to function under Nawalapitiya).

Helboda

The Helboda Circuit Court was represented by two members. They also submitted written proposals.

Their only proposal is that the Helboda Circuit Court be made permanent with both criminal and civil jurisdiction. In other words, they propose setting up a permanent Combined Court in Helboda.

At present, Helboda has a Circuit Court operating from the Nawalapitiya Magistrate's Court. It has 1,346 pending cases.

Although the Committee initially decided to recommend that the Helboda Circuit Court be made a permanent District and Magistrate's Court, it was later decided to maintain status quo in this regard in view of the potential adverse effects to the Nawalapitiya, Gampola and Hatton Courts.

RECOMMENDATION:

To maintain the status quo.

Matale

The Bar Association of Matale was represented by its President, Vice President and two other members.

Matale has a Criminal High Court, a District Court and a Magistrate's Court. At the end of October 2020, the Criminal High Court in Matale had 597 cases. At the end of December 2020, it had 2309 pending civil cases and 3,927 pending criminal cases. Each Court functions separately presided over by a single Judge.

The Matale Bar states that although the District Court and the Magistrate's Court have been set up separately, the Matale Court is considered to be a Combined Court for administrative

purposes. As a result, they have not been provided with sufficient staff to function as a distinct District Court and Magistrate's Court.

The Committee finds that this issue ought to be rectified by the Ministry of Justice, as the Judicial Services Commission has already considered Matale to be comprising a separate District Court and Magistrate's Court. This is evidenced by the fact that two separate Registries have been assigned by the JSC.

The Additional Secretary to the Ministry of Justice (who is a member of this Committee) undertakes to look into this matter and take necessary remedial steps.

The representatives of the Matale Bar requested all of the Grama Niladari Divisions of the Alawatugoda and Ankumbura police station areas to be allocated to the Matale jurisdiction from the Kandy jurisdiction due to proximity. However, the Committee is of the view that since the Alawatugoda and Ankumbura police stations are located in the Kandy District, District boundaries ought not be violated without a cogent reason.

The Matale Bar also suggests that: (a) the Paldeniya Circuit Court which operates from Naula be closed down; (b) the Laggala Circuit Court which operates from Naula be made permanent as a District Court; and (c) the Naula Magistrate's Court be made a Circuit Court to be operated from the Matale Magistrate's Court.

The Committee does not wish to propose that the permanent Magistrate's Court at Naula be made a Circuit Court. Rather, the Committee proposes to upgrade the Court to a District Court, with the Laggala Circuit Court remaining as such under the

Naula Magistrate's Court, and the workload of the Paldeniya Circuit Court being allocated to the Matale Court.

The Matale Bar requests that a Civil Appeal High Court be set up in Matale. The Committee is in favour of this suggestion. The said Civil Appeal High Court would cover the jurisdiction of Matale, Dambulla and the proposed Naula Judicial District.

RECOMMENDATION 1:

To provide sufficient staff to properly operate a separate Magistrate's Court and District Court in Matale.

RECOMMENDATION 2:

To establish a Civil Appeal High Court in Matale, covering the Matale, Dambulla and (proposed) Naula Judicial Districts.

RECOMMENDATION 3:

To reallocate the jurisdiction of the Paldeniya Circuit Magistrate's Court from Naula to Matale. As a result, the entire Mahawela police station area will report to the Matale Court.

Naula

The Bar Association of Naula was represented by its President and two other members.

There is only a Magistrate's Court in Naula. As at 31 December 2020, there were 2,601 pending criminal cases. There are also two Circuit Courts attached to this Court – Laggala and Paldeniya. At the end of 2020, the Laggala Circuit Court had 1,377 pending cases and the Paldeniya Circuit Court had 367 pending cases.

The Naula Bar requests that the Magistrate's Court be upgraded to a District Court. The Committee agrees with this proposal.

As discussed under Matale above, it is proposed to allocate the Paldeniya Circuit Court, which currently falls under the Naula Magistrate's Court jurisdiction, to the Matale jurisdiction. The representatives of the Naula Bar agree with this proposal.

The representatives of the Naula Bar emphasise that converting the Laggala Circuit Court into a permanent Magistrate's Court is not practical at this juncture, due to the distance from the main cities, lack of infrastructure facilities, and the intense human-elephant conflict prevailing in the area. The Committee accepts this position.

At present, the Naula Magistrate visits the Laggala Circuit Court on a weekly basis. The representatives suggest that these visits can be increased to twice a week. The Committee accepts this suggestion.

RECOMMENDATION:

The Committee recommends upgrading the Judicial Division of Naula to a Judicial District and setting up a District Court to be commenced as a Combined Court.

Dambulla

The Bar Association of Dambulla was represented by its President and another member.

The Dambulla Court is a Combined Court. As at 31 December 2020, there were 1,892 pending cases in the District Court and 2,209 pending cases in the Magistrate's Court.

The representatives of the Dambulla Bar say most District Court cases are simple money recovery matters, whilst most Magistrate's Court cases are maintenance matters. As such, they emphasise that there is no necessity to separate the Combined Court into two Courts – i.e. a District Court and a Magistrate's Court, to be presided over by two separate Judges.

However the Committee takes the view that it is advisable to have two separate Courts – a District Court and a Magistrate's Court – functioning separately in view of the Government policy to do away with the Combined Court concept.

The Sigiriya Circuit Court located in Kimbissa operates from Dambulla. The representatives say there are approximately 300 pending cases and that the Dambulla Magistrate conducts the Circuit Court once a month. The Dambulla Bar says this Circuit Court can be closed. The Committee agrees with this proposal. The Dambulla Magistrate can handle this workload from the main Magistrate's Court in Dambulla.

RECOMMENDATION 1:

To separate the Combined Court in Dambulla into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To abolish the Sigiriya Circuit Court.

Nuwara Eliya

Nuwara Eliya has a Criminal High Court, a District Court and a Magistrate's Court. At the end of 2020, there were 458 cases pending in the Criminal High Court, 1,248 cases pending in the District Court and 4,083 cases pending in the Magistrate's Court.

The Bar Association of Nuwara Eliya was represented by its President, Secretary and another member. They have two proposals:

- a) To allocate the civil jurisdiction of the Kotmale Divisional Secretariat Division, which comes under the administrative district of Nuwara Eliya, to the Nuwara Eliya jurisdiction. At present, Kotmale falls under the Nawalapitiya jurisdiction.

The Committee does not wish to change the status quo. Kotmale civil jurisdiction will continue to fall under Kandy.

- b) To set up a Civil Appeal High Court.

The Committee agrees with this proposal and recommends that the jurisdictions of the Nuwara Eliya, Walapane, Thalawakale and Hatton District Court fall under the Civil Appeal High Court of Nuwara Eliya.

RECOMMENDATION 1:

To set up a Civil Appeal High Court in Nuwara Eliya, encompassing the jurisdictions of the Nuwara Eliya, Walapane, Thalawakale and Hatton District Courts.

RECOMMENDATION 2:

To establish two new Courts in Nuwara Eliya – a District Court and a Magistrate’s Court.

Walpane

The Walpane Bar was represented by two of its members.

The Walpane Court is a Combined Court. As at 31 December 2020, there were 973 pending cases in the District Court and 3,059 pending cases in the Magistrate’s Court.

The attention of the Committee was drawn to a recommendation made by the Judicial Services Commission (JSC) in a letter dated 15 July 2019, whereby the JSC recommended establishing a permanent Magistrate’s Court in Hanguranketha. The representatives of the Walpane Bar stated there is no necessity to establish either a permanent Magistrate’s Court or a Circuit Court in Hanguranketha. The Committee accepts this position.

RECOMMENDATION:

To separate the Combined Court in Walpane into a District Court and a Magistrate’s Court, to be presided over by two separate Judges.

Hatton

The Bar Association of Hatton was represented by its Secretary.

The Hatton Court is a Combined Court. As at 31 December 2020, there were 1,073 pending cases in the District Court and 1,461 pending cases in the Magistrate's Court.

RECOMMENDATION:

To separate the Combined Court in Hatton into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

Talawakale

Anuradhapura

Anuradhapura has two Criminal High Courts, one Civil Appeal High Court, one District Court and two Magistrates' Courts.

As at 31 December 2020, there were 652 and 715 cases pending in Criminal High Court Nos. 1 and 2 respectively; 138 pending cases in the Civil Appeal High Court; 5,304 pending cases in the District Court; and 5,725 and 5,125 pending cases in Magistrate's Court Nos. 1 and 2 respectively.

The Circuit Courts of Kahatagasdigiliya and Medawachchiya operate from the Anuradhapura Magistrate's Court. The Nochchiyagama Circuit Court operates from the Thambuttegama Magistrate's Court.

The Anuradhapura Bar was represented before the Committee by its President and they also sent in their written proposals in advance of the consultations.

The Anuradhapura Bar raises no jurisdictional issues but suggests that the aforementioned Circuit Courts be made permanent Magistrates' Courts. They also say it would be advisable to have an Additional District Court in Anuradhapura.

The Committee notes that as at 31 December 2020, the Kahatagasdigiliya Circuit Court had 4,747 cases, the Medawachchiya Circuit Court had 5,484, the Thambuttegama Magistrate's Court had 8,338 cases, and the Nochchiyagama Circuit Court had 3,540 cases.

The Committee recommends that the Circuit Courts in Kahatagasdigiliya, Medawachchiya and Nochchiyagama each be

made a permanent Combined Court exercising both criminal and civil jurisdiction. In other words, Kahatagasdigiliya, Medawachchiya and Nochchiyagama should be made Judicial Districts/Judicial Divisions.

The Committee further recommends that Thabuttegama be upgraded to a Judicial District, with the Court to be commenced as a Combined Court.

The Committee is also favourable to the proposal to set up an Additional District Court in Anuradhapura.

RECOMMENDATION 1:

To convert the Kahatagasdigiliya, Medawachchiya and Nochchiyagama Circuit Courts into permanent Magistrates' Courts / District Courts, to commence as Combined Courts, thereby designating Kahatagasdigiliya, Medawachchiya and Nochchiyagama as Judicial Districts/Divisions.

RECOMMENDATION 2:

To upgrade Thabuttegama to a Judicial District, with the Court to be commenced as a Combined Court.

RECOMMENDATION 3:

To set up an Additional District Court in Anuradhapura.

Kebithigollewa

There is a Combined Court in Kebithigollewa with 1,396 civil cases and 6,909 criminal cases pending as at 31 December 2020.

There is a Circuit Court in Padawiya operating from Kebithigollewa, with 1,785 pending cases as at 31 December 2020. Three police station areas come under the Padawiya Circuit Court and two police station areas come under the Kebithigollewa main Court.

Kebithigollewa does not have a regional Bar Association and was represented by the Anuradhapura Bar Association.

The Committee recommends that the Combined Court be separated into a District Court and Magistrate's Court, to be presided over by two separate Judges.

The Committee is aware that in light of special circumstances, the Grama Niladari Divisions coming under the Padavisripura Divisional Secretariat Division in the Trincomalee District in the Eastern Province; and the Grama Niladari Divisions under the Welioya Divisional Secretariat Division in the Mullaithivu District in the Northern Province have been gazetted under the Kebithigollawa jurisdiction.

RECOMMENDATION:

To separate the Combined Court of Kebithigollewa into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

Kekirawa

Kekirawa has a Combined Court wherein 1,793 criminal cases and 7,499 civil cases were pending as at 31 December 2020.

The Kekirawa Bar was not represented at the hearings before the Committee but sent in a written proposal.

The Committee recommends that the Combined Court be separated into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION:

To separate the Combined Court into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

Polonnaruwa

Polonnaruwa has a Criminal High Court, District Court and Magistrate's Court.

As at 31 December 2020, there were 744 cases pending in the Criminal High Court, 957 cases pending in the District Court and 10,541 cases pending in the Magistrate's Court. There is a Circuit Court in Manampitiya operating from Polonnaruwa, with 3,960 pending cases as at 31 December 2020.

The Polonnaruwa Bar was not represented at the hearing of the Committee but submitted their proposals in writing.

The Committee recommends that another Criminal High Court and another Magistrate's Court be set up in Polonnaruwa.

The Manampitiya Circuit Court should be made a permanent Combined Court conferred with both criminal and civil jurisdiction. Accordingly, Manampitiya will be a Judicial District/Judicial Division.

The Polonnaruwa Bar states in their written proposal that the Aralaganwala police station area covers 57 Grama Niladari Divisions, all but five of which come under the jurisdiction of Polonnaruwa. The five excluded Grama Niladari Divisions – i.e. Salasungama 300, Siripura 299, Mudungama 298, Rankethgama 297, and Meewathpura 294 – presently fall under the jurisdiction of Dehiyattakandiya.

The Committee observes that the said Grama Niladari Divisions were created after the year 2010 by dividing two Grama Niladari Divisions in the Dimbulagala Divisional Secretariat Division in the Polonnaruwa District. Therefore, the Committee recommends that the said five Grama Niladari Divisions also be allocated to the Manampitiya jurisdiction.

RECOMMENDATION 1:

To establish another Criminal High Court in Polonnaruwa.

RECOMMENDATION 2:

To establish another Magistrate's Court in Polonnaruwa.

RECOMMENDATION 3:

To convert the Manampitiya Circuit Court into a permanent Magistrate's/District Court, to be commenced as a Combined Court. Manampitiya should be designated a Judicial District/Judicial Division.

RECOMMENDATION 4:

To allocate the Grama Niladari Divisions of Salasungama 300, Siripura 299, Mudungama 298, Rankethgama 297, and Meewathpura 294, presently under the jurisdiction of Dehiyattakandiya, to the jurisdiction of Manampitiya.

There is a Combined Court in Hingurakgoda, with 1,289 civil cases and 6,463 criminal cases pending as at 31 December 2020.

There is a Circuit Court in Bakamoona operating from Hingurakgoda, with 1,728 pending cases as at 31 December 2020.

The Hingurakgoda Bar was represented by its President and Secretary. They request that the Combined Court be separated into a District Court and Magistrate's Court. The Committee is agreeable to this proposal. Bakamoona shall remain a Circuit Court under Hingurakgoda.

RECOMMENDATION:

To separate the Combined Court into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

UVA PROVINCE

EXISTING COURT STRUCTURE OF THE UVA PROVINCE

The Uva Province consists of two Judicial Zones: Badulla and Moneragala.

The Badulla Judicial Zone consists of four Judicial Districts and four Judicial Divisions. They are: Badulla, Bandarawela, Welimada and Mahiyanganaya.

There is a Circuit Court in Passara that operates from the Badulla Magistrate's Court. In fact, Passara has been listed as a Judicial Division in the Gazette Extraordinary No. 1679/40 dated 10.11.2010 and ought to have a permanent Court.

The Moneragala Judicial Zone consists of two Judicial Districts and four Judicial Divisions. The two Judicial Districts are: Moneragala and Wellawaya. The four Judicial Divisions are: Moneragala, Siyambalanduwa, Bibile and Wellawaya.

ISSUES REVEALED BY REGIONAL BAR ASSOCIATIONS AND RECOMMENDATIONS OF THE COMMITTEE

All regional Bar Associations in the Uva Province were invited to submit written proposals to the Committee and to participate at the in-person consultations of the Committee for further consideration of their proposals.

The Committee appreciates the prompt response of all Bar Associations. The Committee notes that the Badulla Bar did not submit a written proposal but made their submissions before the Committee in person; the Bandarawela Bar did not participate at the hearings of the Committee but submitted a written proposal.

The proposals made by each and every regional Bar Association and the recommendations of the Committee are summarised below.

Badulla

The Badulla Bar was represented by its President, Deputy President, and Vice President. The Badulla Bar did not send in written proposals for the consideration of the Committee at the initial consultation stage. However they submitted their observations in response to the Uva Province draft report.

Badulla has a Criminal High Court, Civil Appeal High Court, District Court and Magistrate's Court. As at 31 December 2020, the Criminal High Court had 1,351 pending cases, the Civil Appeal High Court had 106 pending cases, the District Court had 1,732 pending cases, and the Magistrate's Court had 5,182 pending cases.

The Committee is of the view that the 1,351 cases in the Criminal High Court, of which 886 are indictments, cannot be handled by a single Judge. This heavy caseload is due to the Badulla High Court being the only High Court for the entire Badulla District.

Although in the Uva Province draft report the Committee proposed to set up Criminal High Courts in Bandarawela and Mahiyanganaya, the Bandarawela Bar – a senior Bar – in its observations in response to the Committee’s draft report stated that there is no necessity to establish a High Court in Bandarawela. This is the first time a Bar refused a High Court! In view of the observations made by the Bar Association of Bandarawela, the Committee decided to revoke the recommendation to establish a High Court in Bandarawela.

The Committee does not wish to withdraw the recommendation to set up a Criminal High Court in Mahiyanganaya.

Taking into consideration all relevant factors including the observations of the Badulla Bar in response to the Committee’s draft report, the Committee proposes setting up an Additional Criminal High Court in Badulla using the existing facilities and in the premises wherein the civil appeal High Court is functioning.

The Committee observes that the Civil Appeal High Court in Badulla has comparatively less work and, therefore, arrangements can be made for the Judges of the Civil Appeal High Court to also hear cases filed in the Criminal High Court until the backlog is cleared.

As the Magistrate’s Court had more than 5,000 pending cases at the end of the year 2020, the Committee suggests, in keeping with

its overall policy, that an Additional Magistrate's Court be set up in Badulla.

The Passara Circuit Court operates from the Badulla Magistrate's Court. As at 31 December 2020, the Passara Circuit Court had 1,822 pending cases. The Badulla Magistrate visits the Passara Circuit Court on a weekly basis.

The Committee observes that Passara has been recognised as a separate Judicial Division by the 2010 Gazette, but this has not yet been implemented.

The Committee proposes that in addition to implementing the said decision as reflected in the 2010 Gazette, Passara should also be conferred with civil jurisdiction, in that it should be recognised as a Judicial District and Division, with the Court functioning as a Combined Court.

The jurisdiction of the Passara Combined Court should be the same as gazetted in the 2010 Gazette.

The representatives of the Badulla Bar raised their concerns that once Passara is conferred with permanent criminal and civil jurisdiction, the cases filed under the Grama Niladari Divisions 19A, 19B 20A, and 20B, which are in the Divisional Secretariat Division of Passara and the police station area of Badulla, will be instituted in the Passara Court.

However, the Committee observes that these Grama Niladari Divisions have already been allocated to the Badulla jurisdiction by the 2010 Gazette and therefore this issue will not arise.

The Badulla Bar says that although the Grama Niladari Divisions of the Atampitiya police station area have been gazetted under the Badulla and Bandarawela Judicial Divisions by the 2010 Gazette, the Atampitiya police, in practice, files cases in the Welimada Court, perhaps going by the demarcation of the Superintendent of Police (SP) Division. The representatives of the Badulla Bar say this situation should be rectified.

The Committee observes that the Grama Niladari Divisions of the Atampitiya police station area, which fall under the Hali Ela Divisional Secretariat Division, have been listed under the Badulla and Bandarawela Judicial Divisions by the 2010 Gazette (vide pages 97A and 101A pages of the English publication) and therefore there is no reason for the Atampitiya police to file cases in the Welimada Magistrate's Court. The Committee decides to inform the IGP about this issue through the Committee Member representing the Department of Police, in order for remedial steps to be taken.

RECOMMENDATION 1:

To establish an Additional Magistrate's Court in Badulla.

RECOMMENDATION 2:

To establish an Additional High Court (criminal) in Badulla.

RECOMMENDATION 3:

To implement the decision in the 2010 Gazette establishing Passara as a separate Judicial Division and, in addition, to confer civil jurisdiction on Passara, thereby also recognising it as a Judicial District.

There should be a Combined Court in Passara with the same jurisdiction as gazetted in the 2010 Gazette.

Bandarawela

Bandarawela has a District Court and a Magistrate's Court. As at 31 December 2020, the District Court had 1,285 pending cases and the Magistrate's Court had 8,310 pending cases.

Given the caseload and in keeping with the overall policy of the Committee, the Committee observes that there should be two Magistrates' Courts presided over by two Magistrates in Bandarawela.

The Bandarawela Bar was not represented at the hearings of the Committee. However, they submitted their proposals in writing.

The Bandarawela Bar states in their written proposal that the Grama Niladari Divisions of 62A Ohiya, 62K Ohiya Estate and 62G Maligathenna, which come under the Haputale police station area and are presently gazetted under the Welimada Judicial Division, be allocated to the Bandarawela Judicial District/Division for the reason that the other Grama Niladari Divisions under the Haputale police station area are gazetted under the Bandarawela jurisdiction.

The Committee observes that the said three Grama Niladari Divisions have been gazetted under the Welimada jurisdiction because these three Grama Niladari Divisions come under the District Secretariat Division of Welimada.

Therefore, the Committee takes the view that the said three Grama Niladari Divisions should be allocated to the Bandarawela jurisdiction.

RECOMMENDATION 1:

To establish another Magistrate's Court in Bandarawela.

RECOMMENDATION 2:

To allocate the three Grama Niladari Divisions of 62A Ohiya, 62K Ohiya Estate and 62G Maligathenna, which have been gazetted under the Welimada jurisdiction, to the Bandarawela jurisdiction.

Welimada

Welimada has a Combined Court, wherein there were 1,980 pending civil cases and 8,075 pending criminal cases as at 31 December 2020.

The Committee takes the view that the Combined Court should be separated, allowing the District Court and Magistrate's Court to function independently, presided over by two separate Judges.

As there were more than 8,000 pending cases in the Magistrate's Court at the end of last year, the Committee proposes that, at least as a temporary measure, there should be two Magistrates assigned to handle the caseload.

The Welimada Bar was represented by its President, Secretary and another member. They also sent in their written proposals beforehand.

The Welimada Bar has three main proposals (the second and third can be combined):

- a) The first proposal is to allocate the Grama Niladari Divisions of Galedanda 62C and Udakandagolla 62J, which come under the Welimada Divisional Secretariat Division, to the Welimada jurisdiction, on the basis that these two Grama Niladari Divisions come under the Bogahakumbura police station area (the other Grama Niladari Divisions of the Bogahakumbura police station area report to Welimada).

However, the Committee finds that the said two Grama Niladari Divisions do not come under the Bogahakumbura police station area but come under the Diyathalawa police station area and report to Bandarawela. Therefore, this proposal cannot be accommodated.

- b) The second and third proposals of the Welimada Bar both relate to the newly established Atampitiya police station area.

At present, the entire Atampitiya police station area reports to the Welimada Court, whereas according to the 2010 Gazette, seven Grama Niladari Divisions of the Atampitiya police station area should report to the Bandarawela Magistrate' Court and the remaining seven Grama Niladari Divisions should report to the Badulla Magistrate's Court.

This present practice of the Welimada police is due to the fact that the Atampitiya police station is supervised by the ASP of Welimada who operates from Welimada.

On this basis, the Welimada Bar requests that the relevant part of the 2010 Gazette be annulled and the decision therein be amended to allow the entire Atampitiya police station area to report to Welimada.

As discussed under Bandarawela, the Committee takes the view that it is not possible to give effect to this proposal and that the present practice of the police is contrary to the 2010 Gazette. Hence the Committee recommends that the decision as gazetted in the 2010 Gazette be implemented and followed by the police.

RECOMMENDATION 1:

To separate the Combined Court in Welimada into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To appoint another Magistrate to Welimada, at least as a temporary measure, to assist with the workload in the Magistrate's Court.

Mahiyanganaya

Mahiyanganaya has a Combined Court. As at 31 December 2020, there were 1,348 pending civil cases and 9,855 pending criminal cases.

The Committee proposes to separate the Combined Court into a District Court and a Magistrate's Court, to be presided over by two separate Judges.

The Mahiyanganaya Bar was represented by four members led by its President. They also sent in their written proposals in advance.

The Mahiyanganaya Bar requests that all Grama Niladari Divisions under the Maha Oya and Padiyathalawa Divisional Secretariat Divisions, presently reporting to the Dehiattakandiya

District Court and Magistrate's Court, be allocated to Mahiyanganaya. If this proposal is given effect to, the Dehiattakandiya Court would need to be closed down. This cannot be done. Moreover, the Dehiattakandiya, Maha Oya and Padiyathalawa Divisional Secretariat Divisions fall under the Ampara District in the Eastern Province.

The main proposal of the Mahiyanganaya Bar is that a new Criminal High Court be established in Mahiyanganaya. At present, the police station areas of Hasalaka, Girandurukotte, Ridheemaliyadda, and Mahiyanganaya come under the Mahiyanganaya Magistrate's Court jurisdiction.

The criminal and civil appeal High Court jurisdiction of Mahiyanganaya has been allocated to Badulla. The Mahiyanganaya Bar says the distance from Mahiyanganaya to Badulla is 65 km, while the distance from the other three police station areas (i.e. Hasalaka, Girandurukotte and Ridheemaliyadda) to Badulla is approximately 100 km.

The Mahiyanganaya Bar further suggests that if a Criminal High Court is set up in Mahiyanganaya, the Grama Niladari Divisions under the Dehiattakandiya, Padiyathalawa and Maha Oya police station areas should also be included in the High Court jurisdiction of Mahiyanganaya.

The High Court jurisdiction of Dehiattakandiya, Padiyathalawa and Maha Oya has been allocated to Ampara. The Mahiyanganaya Bar says the distance from Dehiattakandiya to Ampara is about 140 km, whereas the distance from Dehiattakandiya to Mahiyanganaya is only 40 km. Similarly, Padiyathalawa is located about 82 km away from Ampara, but only 32 km away from Mahiyanganaya; Maha Oya also is closer

to Mahiyanganaya (52 km distance) than to Ampara (68 km distance).

Considering proximity and the difficulties faced by litigants, the Committee does not seriously object to this suggestion of the Mahiyanganaya Bar. However if the High Court jurisdiction of Dehiyattakandiya, Padiyathalawa and Maha Oya is allocated to Mahiyanganaya, the Ampara Court would likely not have a sufficient caseload.

Therefore, the Committee proposes to demarcate the jurisdiction of Dehiaththakandiya by excluding the Maha Oya Divisional Secretariat Division, which is also the Maha Oya police station area, and allocating it to the Ampara jurisdiction. The High Court jurisdiction of Dehiattakandiya will be Mahiyanganaya.

However, the Committee is sensitive to the fact that to allocate the Divisional Secretariat Divisions of Dehiyattakandiya and Padhiyathalawa to the Mahiyanganaya jurisdiction would be in contravention of Article 154P of the Constitution, as these three Divisional Secretariat Divisions fall under the Ampara District in the Eastern Province, whereas Mahiyanganaya is in the Uva Province.

When confronted with this quandary, the representatives of the Mahiyanganaya Bar contend that the Minipe Divisional Secretariat Division, which is in the Central Province, has been allocated to Mahiyanganaya, which is in the Uva Province. This decision has been made by the Hon. Minister of Justice with the concurrence of the Hon. Chief Justice and the Hon. President of the Court of Appeal, apparently in consideration of proximity and the convenience of the general public.

In light of these circumstances, the Committee proposes that Mahiyanganaya be recognised as a Judicial Zone, with a Criminal High Court established in Mahiyanganaya having jurisdiction over the police station areas of Hasalaka, Girandurukotte, Ridheemaliyadda and Mahiyanganaya.

In addition, the Committee proposes that the Dehiattakandiya Judicial Division/District which includes the Dehiattakandiya and Padiyathalawa Divisional Secretariat areas also be included under the jurisdiction of the Mahiyanganaya High Court, provided the Hon. Chief Justice, the Hon. President of the Court of Appeal, and the Hon. Minister of Justice are agreeable to this recommendation.

RECOMMENDATION 1:

To separate the Combined Court in Mahiyanganaya into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To recognise Mahiyanganaya as a Judicial Zone and establish a Criminal High Court in Mahiyanganaya having jurisdiction over the Divisional Secretariat areas of Hasalaka, Girandurukotte, Ridheemaliyadda and Mahiyanganaya.

RECOMMENDATION 3: (subject to the concurrence of the Chief Justice, President of the Court of Appeal and the Minister)

To include the Dehiattakandiya Judicial District which includes Divisional Secretariat Divisions of Dehiattakandiya and Padiyathalawa to the jurisdiction of the Criminal High Court to be established in Mahiyanganaya.

Moneragala

There is a Combined Court in Moneragala with 2,008 civil cases and 4,670 criminal cases pending as at 31 December 2020. There is also a Criminal High Court with 404 cases pending as at 31 December 2020.

The Moneragala Bar was represented by its President and Secretary. They also sent in their written proposals in advance.

The Moneragala Bar proposes that the Combined Court be separated into a Magistrate's Court and District Court. The Committee concurs with this proposal.

The Moneragala Bar proposes that the Grama Niladari Divisions under the Okkampitiya police station area and presently included in the Wellawaya jurisdiction be allocated to the Moneragala jurisdiction based on considerations of proximity.

The Committee is agreeable to reallocating the 8 Grama Niladari Divisions under the Okkampitiya police station area from the jurisdiction of Wellawaya to Moneragala. In coming to this decision, the Committee has considered the workload of Wellawaya, in that at the end of the year 2020, the Wellawaya Magistrate's Court had 7,730 pending cases.

The Moneragala Bar also requests that the Grama Niladari Division of Mahagoddayaya 140/2, which now comes under the Wellawaya jurisdiction, be allocated to the Moneragala jurisdiction on the basis that this Grama Niladari Division is closer to Moneragala than to Wellawaya.

However, the Committee observes that this Grama Niladari Division comes under the Buththala police station area, and all other Grama Niladari Divisions in the Buththala police station area come under the Wellawaya jurisdiction. Therefore, this request cannot be accommodated in keeping with the overall policy of the Committee not to divide police station areas between jurisdictions.

The Moneragala Bar further proposes that the Grama Niladari Divisions under the Divisional Secretariat Division of Lahugala be allocated to the jurisdiction of Siyambalanduwa due to the fact that the population in the Lahugala Judicial Division is Sinhala speaking even though Lahugala is situated close to Pottuvil in the Ampara District.

The Committee observes that by the 2010 Gazette, the Lahugala Judicial Division and Judicial District have been created only in respect of 12 Grama Niladari Divisions that come under the District Secretariat Division of Lahugala. In other words, the District Court and Magistrate's Court jurisdiction of Lahugala has been conferred only in respect of the Lahugala District Secretariat Division comprising 12 Grama Niladari Divisions. However, this decision has not yet been given effect to.

The Committee proposes to maintain the Lahugala Judicial District and Judicial Division and administratively allow the Siyambalanduwa Judge to also sit in the Lahugala Court.

However, the Committee is well aware that the said 12 Grama Niladari Divisions in the District Secretariat Division of Lahugala come under the Pottuvil police station area, which is in the Ampara District in the Eastern province, whereas Siyambalanduwa is in the Uva province.

The Moneragala Bar further proposes that a Labour Tribunal be set up in Moneragala as the entire District of Moneragala does not have a Labour Tribunal and there is only one Labour Tribunal in Badulla for the entire Uva Province. Even though this request is outside the purview of this Committee, the Committee proposes that a Labour Tribunal be set up in Moneragala.

RECOMMENDATION 1:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To reallocate the 8 Grama Niladari Divisions under the Okkampitiya police station area from the jurisdiction of Wellawaya to Moneragala.

RECOMMENDATION 3:

To maintain the Lahugala Judicial District and Judicial Division and administratively allow the Siyambalanduwa Judge to also sit in the Lahugala Court.

RECOMMENDATION 4:

To set up a Labour Tribunal in Moneragala.

Siyambalanduwa

There is only a Magistrate's Court in Siyambalanduwa, wherein there were 603 pending cases as at 31 December 2020.

Siyambalanduwa does not have regional Bar Association but was represented before the Committee by a lawyer practicing in

Siyambalanduwa. Written proposals were also submitted to the Committee in advance.

Matters pertaining to both Siyamabalanduwa and Moneragala were considered together by the Committee.

The main proposal from Siyamabalduwa was that the Siyamabalduwa Court be conferred with District Court jurisdiction. The Committee is agreeable to this proposal and recommends that the Court be commenced as a Combined Court.

The representative of Siyamabalanduwa says the Siyamabalanduwa police station area comprises 22 Grama Niladari Divisions. All but four of these Grama Niladari Divisions come under the jurisdiction of Siyambalanduwa. The representative proposes that these four Grama Niladari Divisions also be allocated to the Siyambalanduwa Court. The Committee considers this a reasonable request and proposes that the said 4 Grama Niladari Divisions – i.e. Dombagahawela 128A, Liyangolla 128B, Beraliyapola 128C, Kimbulawela 128 – be removed from the Monaragala jurisdiction and allocated to the Siyambalanduwa jurisdiction.

It is further proposed that the 26 Grama Niladari Divisions under the Dambagalla police station area be allocated to Siyamabalanduwa. Of the 34 Grama Niladari Divisions in the Dambagalla police station area, 9 Grama Niladari Divisions report to the Siyamabalanduwa Court. However, in consideration of proximity and the convenience of the public, the Committee does not wish to interfere with the present state of affairs.

RECOMMENDATION 1:

To confer the Siyambalanduwa Court with District Court jurisdiction, to be commenced as a Combined Court.

RECOMMENDATION 2:

To allocate the 4 Grama Niladari Divisions of Dombagahawela 128A, Liyangolla 128B, Beraliyapola 128C, and Kimbulawela 128 to the Siyambalanduwa jurisdiction.

Bibile

There is only a Magistrate's Court in Bibile, with 1,141 pending cases as at 31 December 2020.

The Bibile Bar was represented by its President, Secretary, and two other members. They submitted their written proposals in advance.

The only request of the Bibile Bar is that they be conferred civil jurisdiction. The Committee notes that the Judicial Services Commission has also recommended that a District Court be established in Bibile.

The Committee proposes that Bibile, which is presently a Judicial Division, be recognised as a Judicial District. The Court should be conferred with both Magistrate's Court and District Court jurisdiction, and be commenced as a Combined Court.

RECOMMENDATION:

To recognise Bibile as a Judicial District/Division, conferred with Magistrate's Court jurisdiction and District Court jurisdiction, commencing as a Combined Court.

Wellawaya

Wellawaya has a Combined Court with 7,730 pending criminal cases and 1,347 pending civil cases as at 31 December 2020.

The Committee proposes separating the Combined Court into a Magistrate's Court and a District Court.

The Wellawaya Bar was represented by its Secretary and another member, and also sent in their written proposals beforehand.

The representatives of the Wellawaya Bar say they are content with maintaining the status quo.

The Committee notes that Wellawaya has a heavy caseload, with 7 police station areas coming under its jurisdiction. Comparatively, Moneragala has a lesser load. Hence, as already recommended under Moneragala, it is proposed that the 8 Grama Niladari Divisions under the Okkampitiya police station area be removed from the jurisdiction of Wellawaya and allocated to the jurisdiction of Moneragala.

RECOMMENDATION 1:

To separate the Combined Court into a Magistrate's Court and District Court, to be presided over by two separate Judges.

RECOMMENDATION 2: (as recommended under Moneragala)

To remove the 8 Grama Niladari Divisions in the Okkampitiya police station area from the Wellawaya jurisdiction and reallocate these to the Moneragala jurisdiction.

EASTERN PROVINCE

EXISTING COURT STRUCTURE IN THE EASTERN PROVINCE

The Eastern Province consists of four Judicial Zones: Ampara, Kalmunai, Batticaloa and Trincomalee.

The Ampara Judicial Zone consists of three Judicial Districts and Judicial Divisions. These are: Ampara, Lahugala and Dehiattakandiya.

The Kalmunai Judicial Zone consists of three Judicial Districts and four Judicial Divisions. The three Judicial Districts are: Kalmunai, Akkaraipattu and Pottuvil. The four Judicial Divisions are: Kalmunai, Samanthurai, Akkaraipattu and Pottuvil.

The Batticaloa Judicial Zone consists of two Judicial Districts and four Judicial Divisions. The two Judicial Districts are: Batticaloa and Valachchenai. The four Judicial Divisions are: Batticaloa, Eravur, Kaluwanchikudy and Valachchenai.

However, at present, Eravur and Kaluwanchikudy operate as Circuit Courts under Batticaloa.

There is a Circuit Court in Vaharai that operates from the Valachchenai Court.

The Trincomalee Judicial Zone consists of three Judicial Districts and Judicial Divisions. These are: Trincomalee, Mutur and Kantale.

There is a Circuit Court in Kuchchaveli that operates from the Trincomalee Court.

ISSUES REVEALED BY REGIONAL BAR ASSOCIATIONS AND RECOMMENDATIONS OF THE COMMITTEE

All regional Bar Associations in the Eastern Province were invited to submit written proposals to the Committee and to participate at the in-person consultations of the Committee for further consideration of their proposals.

The Committee appreciates the prompt response of all the Bar Associations.

The Committee notes that the Dehiattakandiya Bar did not participate at the consultations of the Committee but submitted written proposals. The regional Bar Associations of Mutur and Kantale did not make any representations to the Committee.

The proposals made by each and every regional Bar Association and the recommendations of the Committee are summarised below.

Ampara

Ampara has a Criminal High Court, Civil Appeal High Court, and two Combined Courts. As at 31 December 2020, the number of pending cases in the Criminal High Court was 440; in the Civil Appeal High Court 22; in Combined Court No.1, 1,320 civil cases and approximately 2,000 criminal cases; in Combined Court No.2, 1,179 civil cases and 2,268 criminal cases. There is also a Circuit Labour Tribunal operating from Badulla.

The Committee recommends that the Combined Courts be separated into one District Court and one Magistrate's Court to be presided over by two separate Judges.

Ampara was represented before the Committee by the President of its Bar Association and the Zonal Vice President of Ampara. They also sent in written proposals in advance of the consultations.

The proposals made by the Ampara Bar are as follows:

- a) To allocate the Grama Niladari Divisions of Mangalagama, Keviliyamadu, Kohombagasthalawa and Pulukunawa, which presently come under the jurisdiction of Batticaloa, to the Ampara jurisdiction. In justification of this request, the Ampara Bar says that of the approximately 1,216 families residing in these four Grama Niladari Divisions, 1,200

families are Sinhala speaking, whereas only 16 families are Tamil speaking.

The Committee observes that the above-mentioned villages are located within two Grama Niladari Divisions of the Batticaloa district: Gemunupura 135A in the Eravur Pattu Divisional Secretariat Division and Kachakody 136C in the Manmunai South West Divisional Secretariat Division. The Committee further observes that the Mangalagama police station area comprises only these two Grama Niladari Divisions. The Mangalagama police station is controlled by the Ampara police Division and, as a practice, cases are now filed in the Ampara Court because the residents of these two Grama Niladari Divisions are Sinhala speaking and prefer their disputes to be resolved in a Court operating in Sinhala. In light of these circumstances, the Committee considers this suggestion favourably and recommends that the Mangalagama police station area be included in the Ampara jurisdiction.

- b) To allocate the Grama Niladari Divisions of Iginiyagala and Mullegama, which come under the Magistrate's Court jurisdiction of Bibile, to the Ampara jurisdiction.

The Committee finds that these two Grama Niladari Divisions come under the Iginiyagala police station area and are listed in the 2010 Gazette under the jurisdiction of Bibile. However, it appears to be the practice of the police, perhaps due to convenience, to report to the Ampara Courts. The Committee informs the Committee Member representing the Department of Police to inform the authorities to rectify this error and take remedial steps. Hence this proposal cannot be accommodated.

- c) To allocate the Deegavapiya Grama Niladari Division in the Damana police station area to the jurisdiction of Ampara. At present, this Grama Niladari Division comes under the Magistrate's Court jurisdiction of Akkaraipattu, and the District and High Court jurisdiction of Kalmunai.

The Committee finds that nearly the entirety of the population of this Grama Niladari Division is Sinhala speaking and there is also an ancient temple and archeological sites in Deegavapiya. In light of this and in order to avoid unnecessary conflicts in relation to temple land disputes and more, the Committee recommends that the Deegavapiya Grama Niladari Division, which is within the Addalacchennai Divisional Secretariat Division, be allocated to the Ampara jurisdiction.

- d) To establish a permanent Magistrate's Court in Maha Oya or Padiyathalawa.

The Committee informed the representatives of the Ampara Bar that the Committee proposes to confer Mahiyanganaya with High Court jurisdiction, covering the Divisional Secretariat Divisions of Dehiattakandiya and Padiyathalawa. However, the High Court jurisdiction of the Maha Oya Divisional Secretariat Division will remain with Ampara. Hence the Committee does not consider it necessary to establish a Magistrate's Court in Maha Oya or Padiyathalawa, as this would result in an insufficient caseload in the Ampara Court and the jurisdiction of the High Court being restricted to Ampara. To give effect to this proposal the Committee recommends re-demarcating the present jurisdiction of the Dehiattakandiya Court by excluding the Maha Oya police station area and incorporating it in the Ampara jurisdiction.

- e) The Ampara Bar initially proposed that the decision reflected in the 2010 Gazette, whereby the Lahugala District Court was established, be given effect to. However, during the course of the consultations, the representatives of the Ampara Bar suggested that Lahugala operate as a Circuit Court from the Siyambalanduwa jurisdiction.

The Lahugala Divisional Secretariat Division has 12 Grama Niladari Divisions. The population of Lahugala is 8,900, of which 8,253 are Sinhala speaking. During the consultations with the Pottuvil Bar, the representatives of the Pottuvil Bar informed the Committee that there are only about 100 cases pending from the Lahugala Divisional Secretariat Division.

The Committee is of the view that in order to offer a practical solution to this issue, the decision reflected in the 2010 Gazette in this regard should be given effect to and a permanent Magistrate's Court/District Court operating as a Combined Court should be established in Lahugala. Administrative arrangements can be made for the Siyambalanduwa Magistrate to visit Lahugala on a weekly basis to hear cases.

- f) To make permanent the Circuit Labour Tribunal presently operating from Badulla.

The Ampara Bar says there had previously been a permanent Labour Tribunal in Ampara and the number of pending cases at present is approximately 100. Even though this request is not within purview of this Committee, the Committee proposes to recommend the same.

- g) Requests in relation to infrastructure facilities were noted by the Committee Member representing the Infrastructure Committee appointed by the Ministry of Justice.

The Committee also brought to the attention of the Ampara Bar the written proposals of the regional Bar Associations of Kalmunai and Akkaraipattu, whereby it is requested that the Grama Niladari Divisions in the Navithanveli and Irakkaman Divisional Secretariat Divisions be excluded from the Ampara jurisdiction and allocated to Kalmunai and Akkaraipattu. The representatives of the Ampara Bar expressed no objection to this proposal.

RECOMMENDATION 1:

To separate the two Combined Courts into one District Court and one Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To allocate the Grama Niladari Divisions of Gemunupura 135A in the Eravur Pattu Divisional Secretariat Division and Kachakody 136C in the Manmunai South West Divisional Secretariat Division, which include the villages of Mangalagama, Keviliyamadu, Kohombagasthalawa and Pulukunawa, presently under the jurisdiction of the Batticaloa district, to the Ampara jurisdiction.

RECOMMENDATION 3:

To allocate the Deegavapiya Grama Niladari Division in the Damana police station area to the Ampara jurisdiction.

RECOMMENDATION 4:

To re-demarcate the present jurisdiction of the Dehiattakandiya Court by excluding the Maha Oya police station area and incorporating the Maha Oya police station area in the Ampara jurisdiction.

RECOMMENDATION 5:

To give effect to the decision in the 2010 Gazette and establish a permanent Combined Court (having civil and criminal jurisdiction) in Lahugala, and make administrative arrangements for the Siyambalanduwa Magistrate to visit Lahugala on a weekly basis to hear cases.

RECOMMENDATION 6:

To establish a permanent Labour Tribunal in Ampara.

RECOMMENDATION 7:

To allocate the eight Grama Niladari Divisions in the Navithanveli Divisional Secretariat Division (Central Camp 01 G.N.Div. No. 93A, Central Camp 02 G.N.Div. No. 93B, Central Camp 03 G.N.Div. No. 93C, Central Camp 05 G.N.Div. No. 93E, Central Camp 06 G.N.Div. No. 93F, Central Camp 04 G.N.Div. No. 93D, Salambaikerny 03 G.N.Div. No. 94D and Salambaikerny 04 G.N.Div. No. 94E), now under the Ampara jurisdiction, to the jurisdiction of Kalmunai.

RECOMMENDATION 8:

To allocate all Grama Niladari Divisions (12) in the Irakkamam Divisional Secretariat Division now under the Ampara jurisdiction to the Akkaraipattu jurisdiction.

Dehiattakandiya

Dehiattakandiya has a Combined Court with 203 civil cases and 2,520 criminal cases pending as at 31 December 2020.

The Dehiattakandiya Bar was not represented at the consultations of the Committee but sent in written proposals.

In their written proposals, they identify 10 Grama Niladari Divisions that they say have not been gazetted so far.

The Committee finds that of the said 10 Grama Niladari Divisions, five Divisions – Siripura 299, Salasungama 300, Mudungama 298, Rankethgama 297, Meewathpura 294 – come under the Aralaganwila police station area in the Dimbulagala Divisional Secretariat Division in the Polonnaruwa district. The Committee notes that these five Grama Niladari Divisions have been earmarked to be allocated to the Manampitiya jurisdiction. The other five Grama Niladari Divisions, which have not been identified by number or any other details, cannot be located in the Divisional Secretariat Divisions of Dehiattakandiya, Welikanda or Dimbulagala.

The Committee recommends incorporating the Dehiattakandiya District Court/Magistrate's Court jurisdiction in the newly created Mahiyanganaya High Court Zone. As already discussed under Ampara, the present jurisdiction of Dehiattakandiya will be curtailed with the exclusion of the Maha Oya police station area.

RECOMMENDATION 1:

To incorporate Dehiattakandiya in the Mahiyanganaya High Court Zone.

RECOMMENDATION 2;

To re-demarcate the jurisdiction of Dehiattakandiya by excluding the Maha Oya police station area.

Kalmunai

There is a Civil Appeal High Court, Criminal High Court, District Court and Magistrate's Court in Kalmunai. As at 31 December 2020, there were 71 pending civil appeal cases, 266 pending criminal High Court cases, 640 District Court cases, and 1,800 Magistrate's Court cases.

Kalmunai was represented before the Committee by three members of its regional Bar Association. They also sent in written proposals.

The Kalmunai Bar objects to the establishment of a District Court in the jurisdiction of Samanthurai. The Committee accepts that given the low volume of cases in the Kalmunai District Court, a District Court in the jurisdiction of Samanthurai would be unnecessary.

The further proposals of the Kalmunai Bar are in respect of the Divisional Secretariat Divisions of Navithanveli and Irakkamam:

- To allocate the eight Grama Niladari Divisions in the Navithanveli Divisional Secretariat Division, now under the jurisdiction of Ampara, to the jurisdiction of Kalmunai on the basis that the vast majority of the population in the Navithanveli Divisional Secretariat Division is Tamil speaking. The Grama Niladari Divisions are: Central Camp 01 G.N.Div. No. 93A, Central Camp 02 G.N.Div. No. 93B,

Central Camp 03 G.N.Div. No. 93C, Central Camp 05 G.N.Div. No. 93E, Central Camp 06 G.N.Div. No. 93F, Central Camp 04 G.N.Div. No. 93D, Salambaikerny 03 (G.N.Div. No. 94D) and Salambaikerny 04 (G.N.Div. No. 94E).

According to the representatives of the Kalmunai Bar, the Grama Niladari Divisions in this Divisional Secretariat Division are divided between three jurisdictions: Kalmunai, Samanthurai and Ampara. There is no issue in respect of Samanthurai; the issue is with the Grama Niladari Divisions (detailed above) in Ampara.

The Committee finds that the Navithanveli Divisional Secretariat Division comprises 20 Grama Niladari Divisions having a population of 18,672, of which 6,399 are Sri Lankan Moors, 12,101 are Sri Lankan Tamil, and only 153 are Sinhalese (also 9 Burghers and 10 others).

The representatives of the Kalmunai Bar say that according to available statistics, the Navithanveli District Secretariat Division has a population of 21,439, with a Tamil speaking population of 21,362 and a Sinhala speaking population of 77.

- Similarly, the Kalmunai Bar proposes to allocate all Grama Niladari Divisions in the District Secretariat Division of Irakkamam/Eragama, now under the jurisdiction of Ampara, to the jurisdiction of Akkaraipattu on the basis that the vast majority of the population is Tamil speaking.

The Committee finds that the Irakkamam/Eragama Divisional Secretariat Division comprises 12 Grama Niladari Divisions having a population of 14,373, of which 13,084 are Sri Lankan Moors, 350 are Sri Lankan Tamil, and 938 are Sinhalese (1 other).

The representatives of the Kalmunai Bar say that at present the Irakkamam/Eragama District Secretariat Division has a population of 14,946, with a breakdown of 14,051 Tamil speaking persons and 895 Sinhala speaking persons.

The Committee is reminded that when the proposals in respect of Navithanveli and Irakkamam were placed before the representatives of the Ampara Bar, the representatives of the Ampara Bar did not object to these requests being granted.

RECOMMENDATION 1: (as discussed under Ampara)

To allocate the eight Grama Niladari Divisions in the Navithanveli Divisional Secretariat Division (Central Camp 01 G.N.Div. No. 93A, Central Camp 02 G.N.Div. No. 93B, Central Camp 03 G.N.Div. No. 93C, Central Camp 05 G.N.Div. No. 93E, Central Camp 06 G.N.Div. No. 93F, Central Camp 04 G.N.Div. No. 93D, Salambaikerny 03 G.N.Div. No. 94D and Salambaikerny 04 G.N.Div. No. 94E), now under the Ampara jurisdiction, to the jurisdiction of Kalmunai.

RECOMMENDATION 2: (as discussed under Ampara)

To allocate all Grama Niladari Divisions in the Divisional Secretariat Division of Irakkamam/Eragama to the jurisdiction of Akkaraipattu.

Samanthurai

Samanthurai has a Magistrate's Court with 1,299 cases pending as at 31 December 2020.

Samanthurai was represented at the consultations of the Committee by the President, Secretary and two other members of

its regional Bar Association. Written proposals were also submitted in advance.

The main proposal of the Samanthurai Bar is that it be made a Judicial District with the establishment of a District Court. They reiterated this in their written observations in response to the Committee's draft report on the Eastern Province.

However, in consideration of the case statistics in the jurisdiction of Kalmunai and the representations made by the Kalmunai Bar, the Committee considers that establishing a District Court in Samanthurai would vastly reduce the number of cases in the Kalmunai District Court, where the caseload at present is very low, 640 cases to be exact. The representatives of the Samanthurai Bar do not dispute this and accept that a majority of the civil cases in the Kalmunai District Court are from Samanthurai. Taking into consideration all the attendant facts and circumstances, the majority view of the Committee is that this proposal cannot be accommodated at present.

The Samanthurai Bar also proposes that the entirety of the Grama Niladari Divisions under the District Secretariat Divisions of Irakkamam and Navithanveli be allocated to the jurisdiction of Samanthurai. In light of the previous discussion under Kalmunai and the following discussion under Akkarapattu, this proposal cannot be accommodated. The Irakkamam Divisional Secretariat Division is situated closer to Akkarapattu than to Samanthurai. The rationale of the Committee was explained to the representatives of the Samanthurai Bar.

RECOMMENDATION:

To maintain the status quo.

Akkaraipattu

Akkaraipattu has a Combined Court with 638 civil cases and 4,147 criminal cases pending as at 31 December 2020.

At the in-person consultations, the representatives of the Akkaraipattu Bar said there had been two separate Courts in Akkaraipattu prior to the Courts being combined in the year 2012. The representatives further said that at present the number of civil cases exceeds 1,000 and criminal cases exceed 4,500.

The Committee proposes to separate the Combined Court into a Magistrate's Court and District Court, to be presided over by two separate Judges.

The Akkaraipattu Bar was represented before the Committee by its President and Deputy President. They also submitted their proposals in writing.

The main proposal of the Akkaraipattu Bar is that all Grama Niladari Divisions in the Irakkamam District Secretariat Division be allocated to the jurisdiction of Akkaraipattu. The representatives of the Akkaraipattu Bar submitted a report regarding the ethnic composition of the Grama Niladari Divisions in the Irakkamam District Secretariat Division. Accordingly, the Committee observes that nearly 95 percent of the population is Tamil speaking, the balance being Sinhala speaking.

As discussed under Ampara and Kalmunai, the Grama Niladari Divisions in the Irakkamam District Secretariat Division are presently under the jurisdiction of Ampara. (This proposal was also taken up with the Ampara Bar and no serious objections were raised in this regard.) Therefore, taking everything into

consideration, the Committee is of the view that the Irakkamam District Secretariat Division should be allocated to the jurisdiction of Akkaraipattu.

RECOMMENDATION 1:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2 (as discussed under Kalmunai):

To allocate all Grama Niladari Divisions in the Irakkamam Divisional Secretariat Division to the Akkaraipattu jurisdiction.

Pottuvil

There is a Combined Court in Pottuvil, with 195 civil cases and 1,313 criminal cases pending as at 31 December 2020.

The Pottuvil Bar was represented before the Committee by its President and Assistant Secretary. They also submitted written proposals.

The main proposal of the Pottuvil Bar is that the decision in the 2010 Gazette, by which Lahugala was designated a Judicial District and Judicial Division, be annulled and the said jurisdiction be instead allocated to Pottuvil. When confronted with the proposal of the Ampara Bar in this regard, the Pottuvil Bar says landowners in the Lahugala Divisional Secretariat Division will face language difficulties in the Siyambalanduwa Court.

As previously stated, of the 8,900 population in the Lahugala Divisional Secretariat Division, 8,253 are Sinhala speaking and

would prefer their cases to be heard in Siyambalanduwa with Ampara having High Court jurisdiction. According to the representatives of the Pottuvil Bar, there are only around 100 cases from Lahugala presently pending in the Pottuvil Court.

As discussed under Ampara, the Committee is of the view that in order to resolve this issue practically the decision reflected in the 2010 Gazette in this regard should be given effect to and a permanent Combined Court with civil and criminal jurisdiction should be established in Lahugala allowing the Siyambalanduwa Judge to also handle the Lahugala caseload.

RECOMMENDATION:

To maintain the status quo.

Batticaloa

Batticaloa has a Civil Appeal High Court, Criminal High Court, District Court and Magistrate's Court. As at 31 December 2020, there were 59 pending civil appeal cases, 300 pending criminal High Court cases, 2,250 pending District Court cases and 3,377 pending Magistrate's Court cases.

There are two Circuit Courts – Kaluwanchikudy and Eravur – operating from Batticaloa. Representatives of the Batticaloa Bar say there are 5,029 pending cases in the Eravur Circuit Court and 3,157 pending cases in the Kaluwanchikudy Circuit Court.

The representatives of the Batticaloa Bar brought to the attention of the Committee that Kaluwanchikudy and Eravur have been listed as Judicial Divisions by the Gazette dated 2 July 2020. They suggest giving effect to this decision and converting the two Circuit Courts into permanent Magistrate's Courts.

The Committee concurs with this suggestion and further recommends that Kaluwanchikudy and Eravur be recognised as Judicial Districts, also conferred with District Court jurisdiction, with the Courts to be commenced as Combined Courts. The representatives of the Batticaloa Bar request the necessary infrastructure facilities for this purpose – this request is noted by the representative of the Infrastructure Committee.

According to the 2010 Gazette, there are 18 Grama Niladari Divisions under Korale Pattu South in the District Secretariat Division of Kiran. Of these 18 Grama Niladari Divisions, seven in the Eravur police station area are listed under the jurisdiction of Valachchenai.

The Batticaloa Bar requests that these seven Grama Niladari Divisions in the Eravur police station area be excluded from the jurisdiction of Valachchenai and allocated to the jurisdiction of Eravur. The Committee sees no reason to object to this proposal and recommends the same.

RECOMMENDATION 1:

To recognise Kaluwanchikudy as a Judicial District and Judicial Division, to be commenced as a Combined Court.

RECOMMENDATION 2:

To recognise Eravur as a Judicial District and Judicial Division, to be commenced as a Combined Court.

RECOMMENDATION 3:

To reallocate the seven Grama Niladari Divisions in the Eravur police station area presently under the jurisdiction of Valachchenai to the Eravur jurisdiction.

Valachchenai

There is a Combined Court in Valachchenai with 482 civil cases and 1,739 criminal cases pending as at 31 December 2020.

There is a Circuit Court in Vaharai, with 271 pending criminal cases and 25 pending civil cases, which is visited by the Valachchenai Judge once a fortnight.

Valachchenai does not have a regional Bar Association but was represented by two lawyers practicing in Valachchenai. No written proposals were submitted.

The main proposal of the representatives of Valachchenai is to separate the Combined Court into a District Court and Magistrate's Court. The Committee concurs with this suggestion.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Trincomalee

Trincomalee has a Civil Appeal High Court with 57 pending cases, a Criminal High Court with 211 pending cases, a District Court with 1,125 pending cases, two Magistrates' Courts, and a Circuit Court in Kuchchaweli. The main Magistrate's Court has 3,758 pending cases; the Additional Magistrate's Court and Circuit Court combined have 4,332 pending cases. (All figures as at 31 December 2020.)

The Committee recommends that the Circuit Court be converted into a permanent Court conferred with both Magistrate's Court and District Court jurisdiction to be commenced as a Combined Court with jurisdiction over the Kuchchaweli and Pulmude police station areas.

The President and Secretary of the Trincomalee Bar participated at the consultations of the Committee and also submitted written proposals.

The Trincomalee Bar has three main proposals:

- a) To allocate the two Grama Niladari Divisions of Maniyarasankulam and Aliyadi in the Kinniya police station area and within the Kinniya District Secretariat Division, now reporting to the Kantale Court, to the jurisdiction of Kinniya. The representatives of the Trincomalee Bar further state that these two Grama Niladari Divisions comprise Tamil speaking communities.

The Committee agrees with this proposal and recommends establishing a Combined Court in Kinniya, thereby recognising Kinniya as a Judicial District and Judicial Division. The Committee is guided in this decision by the fact that the Kinniya District Secretariat Division comprises 28 Grama Niladari Divisions as well as by the representations made by the Trincomalee Bar that the population therein is 80,000. The Committee also notes that steps have been taken to construct a new Court building in Kinniya.

- b) To allocate the Thambalagamam and Potkerney Grama Niladari Divisions under the Thamgalagamuwa police station

area and Divisional Secretariat Division to the jurisdiction of Kinniya.

The Committee notes that both the said Grama Niladari Divisions are closer in distance to the Kantale Courts. Taking into consideration proximity and the convenience of the general public, the Committee decides against this proposal.

- c) To establish a Circuit Court in Morawewa covering the police station areas of Morawewa and Gomarankadawela.

The Committee is in favour of this proposal and, instead of proposing a Circuit Court, recommends that Morawewa be recognised as a Judicial District and Judicial Division, with the Court to be commenced as a Combined Court.

- d) The representatives of the Trincomalee Bar also highlight issues relating to the uncertainty of the boundaries of the police station areas of Pulmude and Padawisripura. They suggest that the Padawisripura police station area be allocated to the Padawiya jurisdiction and the Pulmude police station area to the Kuchchaweli jurisdiction. They further request that the police be informed of these boundaries and instructed to file cases accordingly. The Committee concurs and the representative of Department of Police undertakes to take steps to remedy this matter.

RECOMMENDATION 1:

To convert the Circuit Court in Kuchchaweli into a permanent Court conferred with both Magistrate's Court and District Court jurisdiction, to be commenced as a Combined Court with jurisdiction over the Kuchchaweli and Pulmude police station areas.

RECOMMENDATION 2:

To establish a Combined Court with criminal and civil jurisdiction in Kinniya, thereby recognising Kinniya as a Judicial District and Judicial Division.

RECOMMENDATION 3:

To establish a Combined Court with criminal and civil jurisdiction in Morawewa, thereby recognising Morawewa as a Judicial District and Judicial Division.

RECOMMENDATION 4:

To allocate the Padawisripura police station area to the Padawiya jurisdiction.

RECOMMENDATION 5:

To allocate the Pulmude police station area to the Kuchchaweli jurisdiction.

Mutur

Mutur has been listed as a Judicial District and Judicial Division in the 2010 Gazette. At present, there is a Combined Court in Mutur, with 110 civil cases and 3,354 criminal cases pending as at 31 December 2020.

The Mutur Bar did not make representations to the Committee.

The Committee recommends maintaining the status quo.

RECOMMENDATION:

To maintain the status quo.

Kantale

Kantale has been listed as a Judicial District and Judicial Division in the 2010 Gazette. At present, there is a Combined Court in Kantale, with 620 civil cases and 1,707 criminal cases pending as at 31 December 2020.

The Committee recommends separating the Court into a District Court and Magistrate's Court.

The Kantale Bar did not make representations to the Committee in person or in writing.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

The Jaffna Judicial Zone consists of five Judicial Districts and Judicial Divisions. These are: Jaffna, Mallakam, Kayts, Chavakachcheri and Point Pedro.

There are Circuit Courts in Delft and Velanai that operate from the Kayts Magistrate's Court.

The Mannar Judicial Zone comprises only the Mannar Judicial District and Judicial Division.

The Vavuniya Judicial Zone comprises only the Vavuniya Judicial District and Judicial Division.

The Kilinochchi Judicial Zone consists of two Judicial Districts and Judicial Divisions. These are: Kilinochchi and Mullaitivu.

There are Circuit Courts in Thunukkai and Mankulam that operate from the Kilinochchi and Mullaitivu Courts, respectively.

**ISSUES REVEALED BY REGIONAL BAR ASSOCIATIONS AND
RECOMMENDATIONS OF THE COMMITTEE**

All regional Bar Associations in the Northern Province were invited to submit written proposals to the Committee and to participate at the in-person consultations of the Committee for further consideration of their proposals.

The Committee appreciates the prompt response of all the Bar Associations.

The Committee notes that the Bar Associations of Jaffna and Kilinochchi did not participate at the consultations of the Committee but submitted written proposals. The Bar Associations of Mallakam, Kayts, Chavakachcheri, Point Pedro and Mullaitivu did not make any representations to the Committee.

The proposals made by each and every regional Bar Association and the recommendations of the Committee are summarised below.

Jaffna

Jaffna has a Civil Appeal High Court, Criminal High Court, District Court and two Magistrates' Courts. As at 31 December 2020, there were 339 cases pending in the Civil Appeal High Court, 577 cases pending in the Criminal High Court, 1,291 cases pending in the District Court, and 2,965 cases pending in the main Magistrate's Court and a total of 1,139 cases pending in the Additional Magistrate's Court which also handles juvenile matters (407 juvenile cases).

Jaffna was not represented at the consultations of the Committee but sent in their written proposals.

The Committee recommends maintaining the status quo.

RECOMMENDATION:

To maintain the status quo.

Mallakkam

Mallakam is a Judicial District and Judicial Division, having a Combined Court with 1,395 civil cases and 2,462 criminal cases pending as at 31 December 2020.

The Committee proposes to separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

The Mallakam Bar Association did not make any representations to the Committee.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Kayts

Kayts is a Judicial District and Judicial Division operating a Combined Court with 119 civil cases and 572 criminal cases pending as at 31 December 2020. Given the low volume of cases, the Committee proposes to maintain the Court as a Combined Court.

There are two Circuit Courts in Delft and Velanai operating from Kayts, with 9 and 10 cases pending, respectively, as at 31 December 2020. The Committee proposes to abolish these two Circuit Courts.

The regional Bar Association made no representations to the Committee.

RECOMMENDATION:

To abolish the Circuit Courts in Delft and Velanai.

Chavakachcheri

Chavakachcheri is a Judicial District and Judicial Division, having a Combined Court. As at 31 December 2020, there were 456 civil cases and 3,255 criminal cases pending.

The Committee proposes to separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

The Chavakachcheri Bar Association did not make any representations to the Committee.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Point Pedro

Point Pedro is a Judicial District and Judicial Division. There were 666 civil cases and 2,076 criminal cases pending as at 31 December 2020.

It is not clear from the case statistics whether Point Pedro operates a Combined Court. The Committee proposes that if the Court is a Combined Court, it be separated into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION:

If the Court is a Combined Court, to separate it into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Mannar

There is a Criminal High Court in Mannar with 92 cases, and a Combined Court with 560 civil cases and 4,065 criminal cases, all pending as at 31 December 2020.

The Committee proposes to separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

The Mannar Bar Association was represented before the Committee by its Secretary and another member. They also submitted written proposals.

The main proposal of the Mannar Bar is to reactivate the Circuit Court in Murunkan, which had ceased operations in the year 2006 due to the civil war.

The Committee views this suggestion favourably and proposes that a Combined Court be established in Murunkan, thereby recognising Murunkan as a Judicial District and Judicial Division, having jurisdiction over the police station areas of Silawaturai, Murunkan and Madu.

The Mannar Bar also requests that a Civil Appeal High Court be set up in Mannar, on the ground that the majority of cases in the Vavuniya Civil Appeal High Court, which exercises High Court jurisdiction over the Mannar Judicial District, are from Mannar.

However, subsequent consultations with the Vavuniya Bar Association revealed that there are only 26 cases in the Vavuniya Civil Appeal High Court which covers the jurisdictions of Vavuniya, Mannar and Mullaitivu. Therefore, the Committee is of

the view that there is no necessity to establish a separate Civil Appeal High Court in Mannar.

Requests in respect of infrastructure were taken note of by the Committee member representing the Infrastructure Committee appointed by the Ministry of Justice.

RECOMMENDATION 1:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To establish a Combined Court in Murunkan, thereby recognising Murunkan as a Judicial District and Judicial Division, having jurisdiction over the police station areas of Silawaturai, Murunkan and Madu.

Vavuniya

Vavuniya has a Criminal High Court with 175 cases, a Civil Appeal High Court with 26 cases, a Combined Court with 875 civil cases and 580 criminal cases, and an Additional Magistrate's Court with 6,214 cases, all pending as at 31 December 2020.

Vavuniya was represented before the Committee by the Secretary of its Bar Association. The Vavuniya Bar also sent in written proposals.

The representative of the Vavuniya Bar says prior to the civil war there were two Circuit Courts in Chettikulam and Nedunkeny operating from Vavuniya. These Circuit Courts are no longer functional.

The main proposal of the Vavuniya Bar is to establish two permanent Courts in Puliyanukulam and Cheddikulam. The Committee is in favour of this proposal and recommends that the Courts be set up as Combined Courts with Magistrate's Court and District Court jurisdiction, thereby recognising Puliyanukulam and Cheddikulam as Judicial Districts and Judicial Divisions.

It is proposed that the jurisdiction of the Puliyanukulam Court cover the police station areas of Nedunkerny, Kanakarayanukulam, Puliyanukulam and Omanthai; and that the jurisdiction of the Chettikulam Court cover the police station areas of Chettikulam, Parayanalankulam, Poovarasankulam, Paavakulam and Ulukkulam.

RECOMMENDATION 1:

To set up a Combined Court in Puliyanukulam with Magistrate's Court and District Court jurisdiction, thereby recognising Puliyanukulam as a Judicial District and Judicial Division, covering the police station areas of Nedunkeny, Kanakarayanukulam, Puliyanukulam and Omanthai.

RECOMMENDATION 2:

To set up a Combined Court in Chettikulam with Magistrate's Court and District Court jurisdiction, thereby recognising Chettikulam as a Judicial District and Judicial Division, covering the police station areas of Chettikulam, Parayanalankulam, Poovarasankulam, Paavakulam and Ulukkulam.

Kilinochchi

Kilinochchi has been listed as a Judicial Zone in the Gazette Extraordinary No. 1679/40 dated 10.11.2010 but there is no functioning High Court in Kilinochchi. Kilinochchi has a Combined Court with 936 civil cases and 8,260 criminal cases pending as at 31 December 2020. There is also a Circuit Court in Thunukkai operating from Kilinochchi.

The Committee proposes to separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

The Kilinochchi Bar Association sent in their written proposals. The representative of the Vavuniya Bar informed the Committee that as a former practitioner in Kilinochchi, the said representative was in a position to assist the Committee in considering the proposals of the Kilinochchi Bar. The Committee is grateful for the gracious assistance of the said representative.

The main proposal of the Kilinochchi Bar Association is to establish a permanent Court in Jeyapuram, with jurisdiction over the police station areas of Jeyapuram, Mulankavil and Akkarayankulam. The Committee concurs with this proposal and recommends that Jeyapuram be recognised as a Judicial District and Judicial Division, having both Magistrate's Court and District Court jurisdiction, with the Court to be commenced as a Combined Court.

The Kilinochchi Bar also proposes that the decision already gazetted to establish a High Court in Kilinochchi be given effect to. The Committee is agreeable and recommends the same.

RECOMMENDATION 1:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To recognise Jeyapuram as a Judicial District and Judicial Division, having both Magistrate's Court and District Court jurisdiction, with the Court to be commenced as a Combined Court covering the police station areas of Jeyapuram, Mulankavil and Akkarayankulam.

RECOMMENDATION 3:

To give effect to the decision already gazetted to establish a High Court in Kilinochchi.

Mullaitivu

Mullaitivu has a Combined Court with 360 civil cases and 5,988 criminal cases pending as at 31 December 2020.

There is also a Circuit Court in Mankulam operating from Mullaitivu on a weekly basis.

The Committee proposes to convert the Circuit Court in Mankulam into a permanent Combined Court, thereby recognising Mankulam as a Judicial District and Judicial Division having both District Court and Magistrate's Court jurisdiction, covering the police station areas of Mankulam, Ottusudan and Mallavi.

RECOMMENDATION:

To convert the Circuit Court in Mankulam into a permanent Combined Court, thereby recognising Mankulam as a Judicial District and Judicial Division having both District Court and Magistrate's Court jurisdiction, covering the police station areas of Mankulam, Ottusudan and Mallavi.

SOUTHERN PROVINCE

EXISTING COURT STRUCTURE OF SOUTHERN PROVINCE

At present the Southern Province consists of three Administrative Districts, namely Galle, Matara and Hambantota which are divided into five Judicial Zones, viz. Balapitiya, Galle, Matara, Tangalle and Hambantota.

The Balapitiya Judicial Zone comprises the Balapitiya and Elpitiya Judicial Districts/Divisions while the Galle Judicial Zone comprises the Galle, Udugama and Baddegama Judicial Districts/Divisions.

The Matara Judicial Zone comprises the Matara, Deyyandara and Kotapola Judicial Divisions. Both Matara and Kotapola exercise civil jurisdiction, and Deyyandara only criminal jurisdiction.

The Hambantota Administrative District consists of two Judicial Zones, viz. Tangalle and Hambantota. Tangalle, Angunakolapelessa and Walasmulla Districts/Divisions come under the Tangalle Judicial Zone. At present Angunakolapelessa has only a Magistrate's Court.

The Hambantota Zone comprises the Hambantota and Tissamaharama Judicial Districts/Divisions.

ISSUES REVEALED BY REGIONAL BAR ASSOCIATIONS AND RECOMMENDATIONS

All regional Bar Associations in the Southern Province were invited to make their recommendations to the Committee for further consideration. We appreciate the prompt response of all Bar Associations. The recommendations/proposals made by each and every regional Bar Association are summarised below.

The following Bar Associations were unrepresented: Tissamaharama, Angunakolapalassa, Walasmulla, and Tangalle. The Walasmulla Bar tendered a written proposal but it is unrelated to the mandate given to the Committee.

Balapitiya

The Balapitiya Bar has no jurisdictional issues. Its emphasis is on maintaining the status quo. At the end of 2020, the Balapitiya Magistrate's Court had 5,376 pending cases while the District Court had 3,280 pending cases. Each Court is presided over by a single Judge.

The Balapitiya Bar says there is only 1 Labour Tribunal in the entire Galle District and therefore proposes setting up another Labour Tribunal in Balapitiya.

When confronted with the suggestion made by the Elpitiya Bar in terms of removing 3 Grama Niladari Divisions that presently come under the Karandeniya police station area and allocating these to Elpitiya, the Balapitiya Bar objected to the proposal.

Having considered the requests of the Bar Associations of Elpitiya and Balapitiya, the Committee decides to maintain the status quo without changing the present territorial jurisdiction.

RECOMMENDATION:

To set up an additional District Court and additional Magistrate's Court in Balapitiya.

Elpitiya

Elpitiya has a separate Magistrate's Court and a separate District Court. There are 3,551 pending cases in the Magistrate's Court and 1,758 pending cases in the District Court.

The main proposals of the Elpitiya Bar are as follows:

- a) The Karandeniya police station area has 20 Grama Niladari Divisions, out of which 9 belong to Balapitiya jurisdiction and 11 to Elpitiya jurisdiction. The Elpitiya Bar requests that the 92, 92C and 92F Divisions be removed from Balapitiya and allocated to Elpitiya as these Divisions are closer to Elpitiya than Balapitiya.

b) It was further requested that 8 Grama Niladari Divisions which come under the Baddegama police station area and currently fall under the Baddegama jurisdiction be given to Elpitiya on the basis of proximity and transport facilities. These Grama Niladari Divisions are 94C, 193, 193A, 193B, 193C, 193E, 193F, and 223A.

RECOMMENDATION:

To maintain the status quo in Elpitiya.

Galle

Galle has 2 Magistrate Courts wherein 11252 criminal cases were pending as at 31 December 2019. There are 3 District Courts wherein 6857 civil cases were pending as at 31 December 2019.

The Galle Bar was represented by the President and a Committee member of the Galle Bar Association.

They have one major proposal, which is stated at pages 13 and 14 of their written proposal sent to the Committee beforehand.

It was requested that 10 Grama Niladari Divisions, which now come under Baddegama, belonging to Podgala police station area, be allocated to Galle. These Grama Niladari Divisions are 206, 206A, 206B, 206C, 206D, 206E, 208, 208A, 208B and 208C.

A further request was made that the Grama Niladari Divisions of Thelikada police station area, which now come under Baddegama jurisdiction, be allocated to Galle. These Grama Niladari Divisions are 204A, 204B, 205, and 205A.

The following 3 Grama Niladari Divisions, which fall under Wanduramba police station area and presently report to the Baddegama Court, were also requested to be allocated to the Galle jurisdiction. These are 189, 189A and 189B.

The Committee takes the view that the proposals made by the Galle Bar Association cannot be accommodated as *inter alia* the Galle Court already has a considerable number of pending cases.

The Committee's initial recommendation as reflected in the Southern Province draft report was to take the 12 GN Divisions presently under Galle jurisdiction and situated above the Yakkalamulla-Akuressa road in the Yakkalamulla Divisional Secretariat Division and Yakkalamulla police station area and allocate these to the Udugama jurisdiction. These Gramaseva Divisions are: 177A Nahungala, 176A Nahungala South, 176D Kottawa, 176 Thelagoda South, 177F Yakkalamulla East, 177D Nabavadha, 178A Yakkalmalvalu, 178B Thelagoda North, 177E Nakyadhiniya, 179A Nakyadhiniya North, 179C Wattahena, 179B Pathogala, 178F Udamagalawa, 179, 179E Pahalathelakula, 177 Ihilakola.

In response to the draft report of the Committee on the Southern Province, the Galle Bar Association submitted detailed written observations providing real and empirical data to vehemently object to the above recommendation.

The Galle Bar has *inter alia* brought to the attention of the Committee: the new Galle Court Complex being constructed at Galle Beligaha junction, the distances from each of the said GN Divisions to Galle and Udugama via public transport, the availability of public transport, the fact that the rest of the GN Divisions of Yakkalamulla police report to the Galle Court, the

limited number of cases filed by the Yakkalamulla police in Court (in order to show that there is no necessity to divide the Yakkalamulla police between Courts), the infrastructure facilities of the Galle Court, the number of lawyers practicing in Galle (in comparison with Udugama).

The Committee accepts that when it took its initial decision in this regard (i.e. that those 12 GN Divisions be allocated from Galle to Udugama), the Committee's main consideration (as reflected under paragraphs 2.3 at pages 6 and 7, and 2.5 at page 9 of the draft report of the Southern Province) was to ensure an adequate distribution of work to the Udugama Court, because the Udugama Court had only 324 civil cases and 1,806 criminal cases pending at the end of 2020.

However, taking everything as a whole, the Committee is prepared to withdraw that recommendation.

Galle has one Criminal High Court with 1522 pending cases. The Committee takes the view that it is advisable to set up 2 Criminal High Courts in Galle.

Galle also has a Civil Appeal High Court where there are 617 pending cases as at 31 December 2019.

The Committee also observes that in the near future, a pre-trial Court and a small-claims Court are to be set up in Galle.

RECOMMENDATION:

To set up a new Criminal High Court in Galle.

Baddegama

The Baddegama and Udugama Bar Associations put forward a combined proposal in writing which only deals with infrastructure facilities. Due to the fewer number of members and constitutional requirements of the BASL, Baddegama and Udugama operate as one Association. The Bar Association representatives of Baddegama and Udugama informed the Committee that they had misunderstood the requirement and handed over a fresh copy of their proposals at the meeting.

Baddegama has a Combined Court, wherein both criminal and civil matters are handled by a single Judge. The Bar Association representatives of Baddegama state that there are no territorial jurisdiction issues in relation to Baddegama and they are content to proceed without any alteration to the territorial boundaries.

At the end of the year 2020, the Baddegama Magistrate's Court is reported to have had 3,373 pending cases and the District Court 1,740 pending cases.

The Baddegama Bar Association representatives welcome the proposal to have 2 separate Courts: a separate District Court and a separate Magistrate's Court. It was further brought to the notice of the Committee that the District Court can be set up by utilising the existing resources in the same building.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Udugama

At present Udugama operates as a Combined Court, wherein both civil and criminal work is handled by a single Judge. The Udugama Magistrate's Court had 1,806 pending cases as at 31 December 2020 while the Udugama District Court had 324 pending cases as at 31 December 2020.

It was brought to the notice of the Committee that the Udugama Court has less work. The Baddegama and Udugama Bar requests that the Grama Niladari Divisions situated above the Yakkalamulla-Akuressa road be allocated to Udugama jurisdiction.

Although this request was initially favourably considered and the Committee decided to recommend that the identified 12 GN Divisions be allocated to the Udugama jurisdiction, the Galle Bar in their written response to the Southern Province draft report successfully convinced the Committee to withdraw that recommendation. The Committee's initial recommendation was made for the purpose of allocating more work to the Udugama Bar.

Since the Udugama Magistrate's Court (1,806 pending cases) and District Court (324 pending cases) has less work, it can continue to function as a Combined Court.

RECOMMENDATION:

To maintain the status quo in Udugama.

Matara

Matara has 2 Magistrate Courts, wherein there were 10,852 pending criminal cases as at 31 December 2019. Matara also has 3 District Courts with 3 separate District Judges functioning in 3 separate Court houses with 9,431 pending cases at present, according to the Matara Bar Association.

The Criminal High Court has 1,113 pending cases. The Committee proposes to have another Criminal High Court in Matara.

There are 225 cases pending in the Civil Appeal High Court.

Insofar as territorial jurisdiction is concerned, no substantial issues were identified. However the representatives raised their concerns that if and when a new District Court is set up in Deyyandara, due attention should be given to the reduced work load in Matara.

The Matara Bar Association, in its written observations in response to the Southern Province draft report, objects to the Deyyandara Magistrate's Court being upgraded to a District Court and to the Morawaka Combined Court being separated in order to have civil cases heard by one Judge and criminal cases heard by another. The Committee rejects those objections.

RECOMMENDATION:

To set up an Additional Criminal High Court in Matara.

Kotapola (Morawaka)

In Kotapola (Morawaka), the number of pending cases in the Magistrate's Court was 4,983 as at 31 December 2019. The number of pending cases in the District Court was 1,453 cases at the end of 2019. The Court is now functioning as a Combined Court with a single Judge handling all matters.

The Kotapola (Morawaka) Bar Association has no serious concerns in relation to jurisdictional issues except the existing issue in respect of the relocation of the Court house.

The Kotapola (Morawaka) Bar Association suggests setting up a new Criminal High Court in the new Court complex as the entire Administrative District of Matara falls under one Judicial Zone.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Deyyandara

Deyyandara has only a Magistrate's Court, wherein as at 30 September 2020, there were 2,075 pending cases. At present, civil jurisdiction falls under the Matara District Court.

The sole request made by the representatives of the Deyyandara Bar is that civil jurisdiction be allocated to them covering the same area as criminal jurisdiction.

The attention of the Committee is also drawn to the fact that the Judicial Services Commission has recommended setting up a District Court in Deyyandara.

RECOMMENDATION:

To set up a new District Court in Deyyandara, the jurisdiction of which will be the same as the criminal jurisdiction. However, there is no necessity to transfer pending cases from Matara to Deyyandara.

Tangalle

The Bar Association of Tangalle failed to make representations before the Committee nor did it make any written submissions. Upon perusal of available case statistics, there were 1,547 pending cases in the District Court and 2,746 in the Magistrate's Court as at 30 September 2020. The High Court of Tangalle has 6,509 pending cases.

At present, the Magistrate's Court and the District Court function as a Combined Court presided over by a single Judge.

The Tangalle Bar Association submitted its written observations in response to the Committee's draft report on the Southern Province, objecting to the Angunukolapalassa Magistrate's Court being upgraded to a District Court because at present the jurisdiction of the Angunukolapalassa District Court falls under Tangalle. The Committee accepts that the Tangalle Bar can continue to handle civil matters in Angunukolapalassa without any difficulty, but it is the policy of the Government to upgrade the existing Courts and increase the number of Courts.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Walasmulla

The Bar Association of Walasmulla failed to make representations before the Committee nor did it make any written submissions. Upon perusal of available case statistics, there were 1,384 pending cases in the District Court and 4,411 in the Magistrate's Court as at 31 December 2020.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

Angunakolapalassa

The Bar Association of Angunakolapalassa failed to make representations before the Committee nor did it make any written submissions. Upon perusal of available case statistics, there were 3,316 pending cases in the Magistrate's Court as at the date of 31 December 2019.

RECOMMENDATION:

To set up a District Court in Angunakolapalassa, which can initially be commenced as a Combined Court.

Hambantota

The Hambantota Bar Association was represented by its President.

Hambantota has a Combined Court with 4,850 criminal cases and 1,412 civil cases pending as at 31 December 2019. Hambantota also has a Criminal High Court.

Upon perusal of the written proposal, three main proposals could be identified:

The first proposal can be divided into two. The first part was withdrawn when the Committee intimated the proposal to set up a District Court in Angunakolapalassa.

The second part relates to the jurisdiction of the High Court. At present, the entire High Court jurisdiction in respect of the Angunakolapalassa police station area is under Tangalle. The Hambantota Bar proposes that half of the High Court jurisdiction, based on the Ambalanthota Divisional Secretariat boundary, be allocated to the Hambantota jurisdiction.

The Committee is of the view that the Magistrate's Court jurisdiction in Angunakolapalassa cannot be divided between the two High Courts. It should either be allocated to Tangalle or to Hambantota. The Committee takes the view that the entire High Court jurisdiction of Angunakolapalassa should be allocated to Tangalle, which is the prevailing situation.

The second proposal of the Hambantota Bar is the rectification of the anomaly created by Gazette No. 1890/17 dated 26 November 2014, in that 7 Grama Niladari Divisions coming under the

Suriyawewa Divisional Secretariat Division have been allocated to Embilipitiya on the basis of proximity. These Grama Niladari Divisions are Weniwela Ara (G. N. Div. No. 108), Wiharagala (G. N. Div. No.106), Weeriyagama (G.N. Div. No. 115), Hathporuwa (G.N. Div. No. 114), Aliolu Ara (G.N. Div. 113), Bedigantota (G.N. Div. No. 132) and Mahapalassa (G.N. Div. No. 107) in the Divisional Secretariat Division of Sooriyawewa. However this violates District and Provincial boundaries. Sooriyawewa is in the Hambantota District of the Southern Province whereas Embilipitiya is in the Ratnapura District in the Sabaragamuwa Province. The Suriyawewa police station area at present reports to two Courts: 7 Grama Niladari Divisions to Embilipitiya and the balance to Hambantota.

The Division between two provinces creates problems in relation to the jurisdiction of the Provincial High Court as well. Therefore, the Committee is of the view that the 7 Grama Niladari Divisions reporting to Embilipitiya should be allocated to Hambantota.

The third proposal is with respect to the admiralty jurisdiction of the Hambantota High Court, which is in addition to the exclusive admiralty jurisdiction exercised by the High Court of Colombo.

Under the proviso to section 13 of the Judicature Act, the Minister in charge of the subject of Administration of Justice is vested with the authority to gazette any other High Court other than the Colombo High Court to exercise Admiralty jurisdiction. Considering the fact that there is an international harbour in Hambantota, the Committee proposes conferring admiralty jurisdiction to the Hambantota High Court.

RECOMMENDATION 1:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.

RECOMMENDATION 2:

To repeal part XLIII at page 11A of the Gazette dated 26.11.2014 (English version) and reallocate those 7 Grama Niladari Divisions from Embilipitiya to Hambantota.

RECOMMENDATION 3:

To grant Admiralty Jurisdiction to the High Court of Hambantota.

Tissamaharama

The Bar Association of Tissamaharama failed to make representations before the Committee nor did it make any written submissions. Upon perusal of available case statistics, there were 1,503 pending cases in the District Court and 4,754 in the Magistrate's Court as at 31 December 2019.

At present, the Magistrate's Court and the District Court function as a Combined Court presided over by a single Judge.

RECOMMENDATION:

To separate the Combined Court into a District Court and Magistrate's Court, to be presided over by two separate Judges.
